TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of January 22, 2021, is made by STIIZY, LLC, a California limited liability company (the "Grantor"), in favor of GREEN ROCK INVESTMENT FUND II LLC, a California limited liability company (the "Lender").

W I T N E S E T H:

WHEREAS, pursuant to the Loan Agreement, dated as of January 22, 2021 (including all annexes, exhibits and schedules thereto, as from time to time amended, restated, supplemented or otherwise modified and in effect, the "Loan Agreement"), by and among Shryne Group, Inc., a California corporation, as borrower (the "Borrower"), Grantor, certain other direct and indirect Subsidiaries of the Borrower, the Lender has agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein and the Grantor has agreed, pursuant to a guaranty agreement dated the date of the Loan Agreement, to guarantee the Secured Obligations (as defined in the Security Agreement referenced below); and

WHEREAS, the Grantor is party to the Subsidiary Security Agreement of even date herewith in favor of Lender (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce Lender to enter into the Loan Agreement and to induce Lender to extend credit to the Borrower thereunder, the Grantor hereby agrees with Lender as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, hereby mortgages, pledges and hypothecates to Lender, and grants to Lender a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the "Trademark Collateral"):

- (a) all of its Trademarks and all Trademark licenses included in the Collateral, including, without limitation, those referred to on Schedule 1 hereto
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Lender pursuant to the Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and Trademark Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of California.
