RELEASE OF TRADEMARK SECURITY INTERESTS dated as of January 13, 2021 (this “Release”), by CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, as collateral agent (the “Collateral Agent”) for the Secured Parties, in favor of Synexus US, L.P. (the “Grantor”). Capitalized terms used herein and not otherwise defined shall have the meanings assigned to such terms in the Credit Agreement, the Security Agreement or the IP Security Agreement, as applicable, referred to below.

A. Reference is made to (i) the Credit Agreement dated as of August 18, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among Jaguar Holding Company I, a Delaware corporation (“Holdings”), Jaguar Holding Company II, a Delaware corporation (the “Parent Borrower”), Pharmaceutical Product Development, LLC, a Delaware limited liability company (the “Subsidiary Borrower”), the Lenders, the L/C Issuers and the Collateral Agent, (ii) the Security Agreement dated as of August 18, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), among the Grantors from time to time party thereto and the Collateral Agent and (iii) the Intellectual Property Security Agreement dated as of April 28, 2017, among the Grantors listed therein and the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the “IP Security Agreement”) (such documents set forth in clauses (i) through (iii), the “Security Documents”).

B. Pursuant to the Security Documents, the Grantor collaterally assigned, pledged and granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, the Trademark Collateral (as hereinafter defined), which security interest was recorded with the United States Patent & Trademark Office on April 28, 2017 at Reel/Frame 6045/0660.

C. Pursuant to the Payoff Letter dated as of January 12, 2021, among Holdings, the Parent Borrower, the Subsidiary Borrower and the Collateral Agent, the Collateral Agent agreed to release any and all security interests it may have in the Trademark Collateral pursuant to the Security Documents.

Accordingly, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent does hereby release, relinquish and discharge its security interest it has in and to all of the following in each case to the extent created, granted or otherwise established under any Security Document (the “Trademark Collateral”):

All of such Grantor’s right title and interest in and to the following:

(i) the trademarks and service marks owned by the Grantor, including those set forth on Schedule I hereto, together with the goodwill symbolized thereby;

(ii) all reissues, divisionals, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto;

(iii) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(iv) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Trademark Collateral of or arising from any of the foregoing.

The Collateral Agent hereby re-assigns to the Grantor any right, title or interest it may have in the Trademark Collateral, without representation or warranty of any kind. The Collateral Agent authorizes the Grantor (or its designee, or any person or entity hereafter having any right title or interest in the Trademark Collateral) to make filings with the United States Patent and Trademark Office and other necessary filings, in each case at the expense of the Grantor, to evidence the release and termination of the Collateral Agent's security interests in the Trademark Collateral.

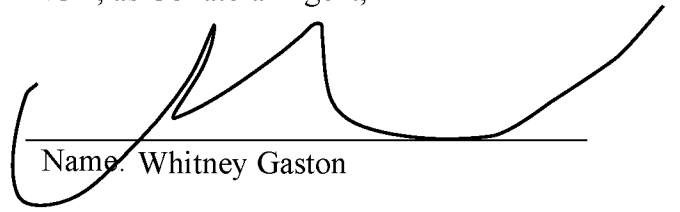

Sections 4 and 6 of the IP Security Agreement are incorporated herein by reference, *mutatis mutandis*.

[The remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the Collateral Agent has caused this Release to be duly executed as of the day and year first above written.
