TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Agreement"), is made and entered into as of April 14, 2020, by and between Dunne Manning Stores LLC, a Delaware limited liability company, ("Assignor"), and CAPL Retail LLC, a Delaware limited liability company ("Assignee"). Assignor and Assignee may be referred to individually hereinafter as a "Party" or collectively hereinafter as the "Parties".

WHEREAS, Assignor owns rights in and to certain trade name(s), trademark(s), service mark(s), and registration(s) thereof (together with any associated application, trade names, brand names, trade dress, logos, color patterns, color or design schemes, insignias, image standards, or other brand identifications or associated intellectual property rights, collectively the "Trademarks"), as identified on Schedule A;

WHEREAS, Assignor and the ultimate parent entity of Assignee have entered into a certain Asset Purchase Agreement, dated as of January 15, 2020, pursuant to which Assignor has agreed to sell, assign, transfer, convey, and deliver to Assignee (and Assignee has agreed to acquire) any and all rights that Assignor owns in and to the Trademarks, including, but not limited to, the rights and related goodwill in the business that Assignor or its affiliates may have accrued by way of use of the Trademarks prior to the Effective Date (as defined below) of this Agreement; and

AND NOW THEREFORE, in consideration of the promises, terms, and conditions contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Parties, and intending to be legally bound hereby, the Parties agree as follows.

Section 1: Assignment of Rights

1.1 Assignor hereby sells, assigns, transfers, conveys, grants, and delivers to Assignee any and all right, title, and interest owned by Assignor in and to the Trademarks, as set forth on Schedule A hereto, together with the goodwill in the business associated therewith, including all registrations, applications, and common law rights therein, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Agreement had not been made, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Trademarks, along with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns, or other legal representatives.

1.2 Assignor authorizes the relevant trademark office or governmental agency to record the assignment and to assign all registrations and applications for the Trademarks to Assignee, and to issue to Assignee all registrations which may issue with respect to any application(s) for the Trademarks. Assignor shall reasonably cooperate with Assignee, to the extent reasonably requested by Assignee, to accomplish the assignment of the Trademarks contemplated herein.

1.3 ASSIGNOR IS ASSIGNING, TRANSFERRING, CONVEYING, GRANTING, AND DELIVERING RIGHTS IN THE TRADEMARKS "AS IS" TO ASSIGNEE, AND ASSIGNOR MAKES NO EXPRESS OR IMPLIED REPRESENTATION OR WARRANTY TO

ASSIGNEE REGARDING ANY OF THE TRADEMARKS OR THEIR REGISTRABILITY, VALIDITY, ENFORCEABILITY, OR OWNERSHIP IN ANY COUNTRY, AND IN PARTICULAR, WITHOUT LIMITATION, ASSIGNOR MAKES NO REPRESENTATION OR WARRANTY THAT ANY OF THE TRADEMARKS DO NOT INFRINGE (OR HAVE NOT INFRINGED) THE RIGHTS OF THIRD PARTIES.

Section 2: Miscellaneous

2.1 Independent Contractor. Neither Party shall have, nor shall represent that it has, any power, right, or authority to bind the other Party to any obligation or liability, or to assume or create any obligation or liability on behalf of the other Party.

2.2 No Waiver. The waiver by any Party of a breach by any other Party of a term or condition of this Agreement shall not be deemed to be a waiver of such term, covenant, condition, promise, or provision upon any subsequent breach of the same (or any other) term, covenant, condition, promise, or provision contained in this Agreement. No term, covenant, condition, promise, or provision of this Agreement shall be deemed to have been waived or modified unless such waiver or modification is in writing and signed by a duly authorized officer or agent of the Party against whom such waiver or modification is sought to be enforced.

2.3 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable under the law of any jurisdiction where enforcement is sought, whether on the basis of a court decision, mediation, or of arbitral award applicable to the entire Agreement, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

2.4 Successors-in-Interest and Assigns. Subject to any restriction on transferability contained in this Agreement, this Agreement shall be binding upon and shall inure to the benefit of the successors-in-interest and assigns of each Party to this Agreement. Nothing in this Section shall create any rights enforceable by any person not a party to this Agreement, except for the rights of the successors-in-interest and assigns of each Party to this Agreement.

2.5 Rights and Remedies Non-Exclusive. No right or remedy conferred in this Agreement is intended to be exclusive of any other right or remedy, and each and every right or remedy given hereunder shall be cumulative and in addition to any other right or remedy now or hereafter existing in law or equity, or by statute.

2.6 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the Parties and delivered to the other Party. Signatures to this Agreement transmitted by means of email or facsimile shall be deemed to constitute originals.

[SIGNATURES FOLLOW]

IN WITNESS WHEREOF, Assignor and the Assignee have caused this Agreement to be duly executed as of the date first written above ("Effective Date").
