NOTICE
OF
GRANT OF SECURITY INTEREST
IN
TRADEMARKS

Pursuant to the Security Agreement, dated as of December 21, 2020 ("Security Agreement"; capitalized terms used and not otherwise defined herein shall have the meanings provided in the Security Agreement), by and among the Grantors party thereto (each an "Grantor" and collectively the "Grantors"), and Stellus Capital Investment Corporation, as administrative agent (in such capacity together with its successors and assigns, "Administrative Agent"), the undersigned Grantor collaterally assigns to, and pledges and grants to Administrative Agent, for it and the benefit of the Secured Parties, a security interest in the entire right, title, and interest of such Grantor in and to all Trademarks, including the trademark registrations and trademark applications set forth on Schedule 1 attached hereto.

The undersigned Grantor and the Administrative Agent, on behalf of the Secured Parties, hereby acknowledge and agree that (a) the security interest created hereby in the Trademarks (i) constitutes security for the payment and performance, as the case may be, in full of the Secured Obligations, (ii) is not and shall not be construed as an assignment of any Trademarks, and (iii) may only be terminated in accordance with the terms of the Security Agreement, and (b) in the event of any conflict between the terms of this notice and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

This notice may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this notice by fax transmission or e-mail transmission (e.g. "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this notice.

Each of the parties hereto has caused a counterpart of this notice to be duly executed and delivered as of the date first above written.
