**TRADEMARK SECURITY AGREEMENT**

**December 18, 2020**

**WHEREAS, STORMSOURCE, LLC**, an Arizona limited liability company (“**Grantor**”), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below); and

**WHEREAS**, Grantor is party to a Security Agreement, dated as of October 1, 2019 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), by and among Grantor, the other Grantors (as defined in the Security Agreement) party thereto and **Sixth Street Specialty Lending, Inc.**, a Delaware corporation (f/k/a TPG Specialty Lending, Inc.), as the Collateral Agent for the Secured Parties (in such capacity, the “**Collateral Agent**”), pursuant to which Grantor granted a security interest to the Collateral Agent (for the benefit of the Secured Parties) in the Trademark Collateral (as defined below) and is required to execute and deliver this Trademark Security Agreement (this “**Agreement**”).

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the respective meanings given to them in the Security Agreement.

**NOW, THEREFORE**, in consideration of the foregoing and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by Grantor to the Collateral Agent (for the benefit of the Secured Parties) pursuant to the Security Agreement, Grantor hereby grants to the Collateral Agent (for the benefit of the Secured Parties) a security interest in all of Grantor’s right, title and interest in and to the following, in each case whether now owned or existing or hereafter acquired, developed, created or arising and wherever located (collectively, the “**Trademark Collateral**”), other than Excluded Property:

(i) all trademarks, service marks, designs, logos, indicia of origin, trade names, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by Grantor (including, without limitation, the trademarks set forth on Schedule A annexed hereto), all rights corresponding thereto and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof (collectively, the “**Trademarks**”);

(ii) all goodwill of Grantor’s business symbolized by the Trademarks associated therewith;

(iii) all proceeds and products of or from any and all of the foregoing Trademark Collateral; and

(iv) the right to sue or otherwise recover for any past, present and future infringement, dilution, misappropriation or other violation or impairment of any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 1(a) of the Security Agreement attach to any "intent-to-use" trademark applications for which a statement of use or an amendment to allege use has not been filed with the United States Patent and Trademark Office (but only until such statement or amendment is filed with the United States Patent and Trademark Office), and solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of, or void or cause the abandonment or lapse of, such application or any registration that issues from such intent-to-use application under applicable U.S. law.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement. Section 1 of the Security Agreement is hereby incorporated by reference. In the event that any provision of this Agreement is deemed to conflict or is inconsistent with the Security Agreement, the provisions of the Security Agreement shall govern and control.

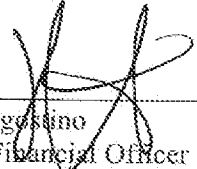

THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES THEREOF TO THE EXTENT SUCH PRINCIPLES WOULD CAUSE THE APPLICATION OF THE LAW OF ANOTHER STATE, EXCEPT TO THE EXTENT THAT THE UCC PROVIDES THAT THE PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK, IN WHICH CASE THE LAWS OF SUCH JURISDICTION SHALL GOVERN WITH RESPECT TO THE PERFECTION OF THE SECURITY INTEREST IN, OR THE REMEDIES WITH RESPECT TO, SUCH PARTICULAR COLLATERAL.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement constitutes the entire contract among the parties relating to the subject matter hereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof, and there are no promises, undertakings, representations or warranties by Grantor nor the Collateral Agent relative to the subject matter hereof not expressly set forth or referred to herein. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic transmission (including Adobe .pdf file) shall be effective as delivery of a manually executed counterpart of this Agreement.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
