This RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST ("**Release**"), effective as of the date executed below (the "**Effective Date**"), is granted by Western Alliance Bank, as successor by merger to Bridge Bank, National Association ("**Lender**"), in favor of eCivis, Inc. ("**Grantor**") and its successors, assigns and legal representatives.

WHEREAS, in connection with the Business Financing Agreement between Lender and Grantor dated as of June 19, 2008 between Lender and Grantor, Lender and Grantor entered into an Intellectual Property Security Agreement dated as of June 19, 2008 (the "**Security Agreement**");

WHEREAS, pursuant to the Security Agreement, Grantor granted to Lender a security interest in and to all of the right, title and interest of such Grantor in, to and under certain intellectual property collateral;

WHEREAS, the Security Agreement was recorded with the United States Patent and Trademark Office; and

WHEREAS, the Grantor has requested that the Lender enter into this Release in order to effectuate, evidence and record the release to the Grantor of any and all right, title and interest the Lender may have in such intellectual property collateral pursuant to the Security Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lender hereby agrees as follows:

1. Release of Security Interest. Lender, on behalf of itself and its successors, legal representatives and assigns, hereby terminates the Security Agreement and terminates, releases and discharges any and all security interests that it has pursuant to the Security Agreement in any and all right, title and interest of the Grantor, any and all right, title and interest that it may have, in, to and under the following:
  - 1.1. any and all trademarks, service marks, trade names, brand names, logos, trade dress, design rights and other similar designations of source, whether registered or unregistered, including the trademark registration set forth in Schedule 1 hereto, together with the goodwill connected with the use thereof and symbolized thereby and all extensions and renewals thereof ("**Trademarks**");
  - 1.2. any and all patents, patent applications and other patent rights and any other governmental authority-issued indicia of invention ownership, and all reissues, divisions, continuations, continuations-in-part, renewals, extensions and reexaminations thereof and amendments thereto (the "**Patents**");
  - 1.3. any and all copyrights, copyright applications and registrations, and like protections in each work of authorship, whether registered or unregistered and whether published or unpublished, and all extensions and renewals thereof ("**Copyrights**");
  - 1.4. all rights of any kind whatsoever of such Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;
  - 1.5. any and all license and other agreements in which such Grantor has granted or is granted a license or other right under any Trademark, Patent or Copyright;
  - 1.6. any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
  - 1.7. any and all claims and causes of action with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.
2. Further Assurances. At Grantor's sole cost and expense, Lender agrees to take all further actions, and provide to Grantor and its successors, assigns and legal representatives all such cooperation and assistance, including, without limitation, the execution and delivery of any and all further documents or other instruments, as Grantor and its successors, assigns and legal representatives may reasonably request in order to confirm,

effectuate or record this Release.

3. Governing Law. This Release and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Release and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of California, without giving effect to any choice or conflict of law provision or rule (whether of the State of California or any other jurisdiction).
