**CORRECTION OF IMPROPERLY FILED ASSIGNMENT UNDER TMEP § 503.06(C)**

Commissioner for Trademarks  
Alexandria, VA 22313-1450

Sir:

This paper relates to the trademark applications and trademark registrations identified on Table 1, attached hereto. The undersigned is signing on behalf of the correct owner of those applications and registrations.

The purported assignment document recorded at Reel/Frame No. 006239/0162 (Trademarks), on December 29, 2017, was submitted with erroneous information as set forth in more detail below. This document is being submitted with the required fee for each trademark registration or trademark application to be corrected.

The undersigned states as follows:

1. I have firsthand knowledge of the facts presented herein.
2. The current owner of the trademark applications and trademark registrations identified on Table 1 has been and continues to be Aquatech International, LLC, a Delaware limited liability company having a place of business at 1 Four Coins Drive, Canonsburg, Pennsylvania, 15317.
3. The purported assignment document recorded at Reel/Frame No. 006239/0162 (Trademarks) is erroneous for the following reasons. The purported assignment was made effective on December 28, 2017, by assignor Aquatech International Corporation, a Pennsylvania corporation, to Aquatech International, LLC, which is listed on the cover sheet as a Pennsylvania Limited Liability Company. However, on June 9, 2016, Aquatech International Corporation had been converted from a Pennsylvania Corporation to a Delaware Limited Liability Company. At the time of the conversion, Aquatech International Corporation was renamed Aquatech International, LLC.

Therefore, as of December 28, 2017, Aquatech International Corporation could not have assigned the trademarks and trademark registrations to Aquatech International, LLC, a Pennsylvania LLC. Instead, the records of the trademarks and trademark registrations that were the subject of the purported assignment should have been updated to reflect the Change of Name (from Aquatech

International Corporation to Aquatech International, LLC), including the correct state of formation (Pennsylvania to Delaware). The document reflecting the change of name is included herewith, to be recorded with this correction.

For the reasons above the undersigned requests that the assignment document recorded at 006239/0162 (Trademarks) not be considered to alter the chain of title of the trademark registrations and trademark applications on Table 1. Instead, the attached Change of Name, including both a change of name and a change of state of formation, should be recorded.

Respectfully submitted,

AQUATECH INTERNATIONAL, LLC
