This GRANT OF SECURITY INTEREST IN TRADEMARKS ("Agreement"), dated as of February 2, 2021, made by SESI Holdings, Inc. (formerly known as Superior Energy, Inc.), CSI Technologies, LLC, H.B. Rentals, L.C., Superior Energy Services, L.L.C., Warrior Energy Services Corporation, Workstrings International, L.L.C. and Wild Well Control, Inc. (each an "Obligor" and together, the "Obligors"), in favor of JPMorgan Chase Bank, N.A., as administrative agent (in such capacity, the "Administrative Agent") for the banks and other financial institutions or entities (the "Lenders") parties to the Credit Agreement referred to below. All capitalized terms not defined herein shall have the meaning ascribed to them in such Credit Agreement.

W I T N E S S E T H :

WHEREAS, SESI, L.L.C. (the "Borrower"), SESI Holdings, Inc. (formerly known as Superior Energy Services, Inc., the "Parent"), the Lenders party thereto from time to time and the Administrative Agent have entered into a Credit Agreement, dated as of February 2, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement");

WHEREAS, in connection with the Credit Agreement, the Borrower, the Parent and certain of their Subsidiaries have entered into the Guaranty and Collateral Agreement, dated as of February 2, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Guaranty and Collateral Agreement") in favor of the Administrative Agent for the ratable benefit of the Secured Parties;

WHEREAS, pursuant to the Guaranty and Collateral Agreement, the Borrower and certain of its Subsidiaries, including the Obligors, pledged and granted to the Administrative Agent for the ratable benefit of the Secured Parties, a security interest in all Intellectual Property, including the Copyrights; and

WHEREAS, the Obligors and Borrower have duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, the Obligors agree, for the benefit of the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guaranty and Collateral Agreement.

2. Grant of Security Interest. Each Obligor hereby pledges and grants a continuing security interest in all of such Obligor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Administrative Agent for the benefit of the Administrative Agent and the Lenders to secure payment, performance and observance of the Obligations.

3. Purpose. This Agreement has been executed and delivered by the Obligors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Guaranty and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Guaranty and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

4. Execution in Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of Agreement by telecopy or electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

5. Governing Law. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE OBLIGORS HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be duly executed and delivered as of the date first above written.
