This SECOND LIEN TRADEMARK SECURITY AGREEMENT (the “IP Security Agreement”), dated as of February 12, 2021, among the Person listed on the signature pages hereof (the “Grantor”), and WILMINGTON TRUST, N.A., as collateral agent for the Secured Parties (in such capacity, together with its successors in such capacity, the “Collateral Agent”).

A. Capitalized terms used herein and not otherwise defined herein (including terms used in the preamble and the recitals) shall have the meanings assigned to such terms in the SECOND LIEN SECURITY AGREEMENT, dated as of February 12, 2021 (the “Security Agreement”), among (i) SENTINEL INTERMEDIATE CORP., a Delaware corporation (“Holdings”), (ii) SIMPLISAFE HOLDING CORPORATION, a Delaware corporation (the “Holdco Borrower” or the “Company”), (iii) SIMPLISAFE, INC., a Delaware corporation (the “Opcos Borrower” and together with the Holdco Borrower, the “Borrowers”), (iv) each of the subsidiaries of the Company listed on Annex A thereto (each such subsidiary, individually, a “Subsidiary Grantor” and, collectively, the “Subsidiary Grantors”; and, together with and together with Holdings and the Borrowers, the “Grantors” and each individually, a “Grantor”), and (v) the Collateral Agent.

B. The rules of construction and other interpretive provisions specified in Sections 1.2, 1.5, 1.6 and 1.7 of the Credit Agreement shall apply to this Supplement, including terms defined in the preamble and recitals hereto.

C. Pursuant to Section 4.4(e) of the Security Agreement, Grantor has agreed to execute or otherwise authenticate this IP Security Agreement for recording the Security Interest granted under the Security Agreement to the Collateral Agent in such Grantor’s United States Registered Intellectual Property with the United States Patent and Trademark Office and the United States Copyright Office and any other Governmental Authorities located in the United States necessary to perfect the Security Interest hereunder in such Registered Intellectual Property.

Accordingly, the Collateral Agent and Grantor agree as follows:

1. Grant of Security. The Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a Security Interest in all of such Grantor’s right, title and interest in and to the United States Trademark registrations and applications set forth in Schedule A hereto (collectively, the “Collateral”).

2. Security for Obligations. The grant of a Security Interest in the Collateral by Grantor under this IP Security Agreement secures the payment of all amounts that constitute part of the Obligations and would be owed to the Collateral Agent or the Secured Parties but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving Grantor.

3. Recordation. Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable governmental officer located in the United States record this IP Security Agreement.

4. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Grantor does hereby acknowledge and confirm that the grant of the Security Interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

5. Counterparts. This IP Security Agreement may be executed by one or more of the parties to this IP Security Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (i.e. a “pdf” or “tif”)), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

6. GOVERNING LAW. THIS IP SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

7. Severability. Any provision of this IP Security Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and in the Security Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

8. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Credit Agreement. All communications and notices hereunder to Grantor shall be given to it in care of the Company at the Company’s address set forth in Section 13.2 of the Credit Agreement.

9. Expenses. Grantor agrees to reimburse the Collateral Agent for its reasonable and documented out-of-pocket expenses in connection with this IP Security Agreement, including the reasonable and documented fees, other charges and disbursements of counsel for the Collateral Agent.

10. Intercreditor Agreement Governs. Notwithstanding anything herein to the contrary, the Security Interest granted to the Collateral Agent pursuant to this IP Security Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the limitations and provisions of the Closing Date Intercreditor Agreement. In the event of any conflict between the terms of the Closing Date Intercreditor Agreement and this IP Security Agreement, the terms of the Closing Date Intercreditor Agreement shall govern.

11. Collateral Agent Protections. In connection with this IP Security Agreement, the Collateral Agent shall be entitled to all of the protections, immunities, rights and indemnities provided to it in the Credit Agreement, all of which are hereby incorporated herein by reference, mutatis mutandis.
