THIS TRADEMARK SECURITY AGREEMENT (this “Agreement”), dated as of February 11, 2021, is made by the grantors signatories hereto (the “Grantors”) in favor of GLAS Trust Company LLC, a limited liability company organized and existing under the laws of the State of New Hampshire, in its capacity as collateral agent (the “Collateral Agent”) for the noteholders party to the Indenture (as defined below). Unless otherwise defined herein or context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference to them in the Security Agreement (as defined below).

WHEREAS, pursuant to that certain Indenture, dated as of February 11, 2021, (as it may be amended or modified from time to time, the “Indenture”), among Turning Point Brands, Inc. (the “Company”), the Grantors, the other grantors party thereto, the Collateral Agent and the noteholders, the Grantors, the Collateral Agent and certain other parties entered into that certain Pledge and Security Agreement, dated as of February 11, 2021, (as it may be amended or modified from time to time, the “Security Agreement”);

WHEREAS, pursuant to the Security Agreement, Grantors pledged, assigned and granted a security interest in all of its right, title and interest in, to and under the Collateral, including the Trademark Collateral (as defined below);

WHEREAS, pursuant to the Security Agreement, the Grantors agreed to execute and deliver this Agreement, for purposes of recording the security interest in the Trademark Collateral with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interests granted by the Grantors to the Collateral Agent pursuant to the Security Agreement, each Grantor hereby pledges, assigns and grants to the Collateral Agent, on behalf of and for the ratable benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest in, to and under the following (collectively, the “Trademark Collateral”):

- (a) all trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof, including those listed in Schedule A annexed hereto, and the goodwill of the business symbolized by the foregoing;
- (b) all renewals of the foregoing;
- (c) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof;
- (d) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and
- (e) all rights in any of the foregoing throughout the world.

pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

The Grantors and the Collateral Agent acknowledge and agree that the rights and remedies of the Collateral Agent with respect to the security interests in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement. All of the terms of the Security Agreement are hereby incorporated by reference. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Each Grantor hereby authorizes and requests that the Commissioner for Trademarks and any other applicable United States government officer record this Agreement.

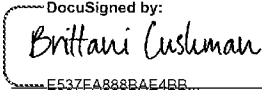

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single agreement. Delivery of an executed signature page to this Agreement by facsimile transmission or electronic PDF delivery shall be as effective as delivery of a manually signed counterpart of this Agreement.

It is expressly understood and agreed by the parties hereto that this Agreement is executed and delivered by GLAS Trust Company LLC, not individually but solely as Collateral Agent under the Indenture, and solely in the exercise of the powers and authority conferred and vested in it under the Indenture and the Security Agreement. The Collateral Agent assumes no responsibility for the correctness of the recitals contained herein and shall not be responsible or accountable in any way whatsoever for or with respect to the validity, execution or sufficiency of this Agreement and makes no representation with respect thereto.
