United States Patent and Trademark Office  
Notice of Non-Recordation of an Assignment Document

The enclosed document has been examined and found non-recordable by the Assignment Recordation Branch of the U.S. Patent and Trademark Office. The reason(s) for non-recordation are stated below:

1. There is a discrepancy with the receiving party entity type. The cover sheet has Corporation but the document has LLC.

Documents being resubmitted for recordation must reflect the corrected information to be recorded, the Document ID number referenced above and all pages from this submitted document. The original date of filing of this assignment document will be maintained if resubmitted with the appropriate correction(s) by **Thursday, March 25, 2021**, as outlined under 37 CFR 3.51. The resubmitted document must include a stamp with the official date of receipt under 37 CFR 3. Applicants may use the certified procedures under 37 CFR 2.197 or 2.198 for resubmission of the returned papers if they desire to have the benefit of the date of deposit in the United States Postal Service.

To file the resubmission electronically, navigate to the ETAS website at <http://etas.uspto.gov>, click the Start Resubmission button and enter the following information:

**Document ID: 900588240**  
**Access Code: H2EJLYH6WGB8IT4**

To file the resubmission in paper, send documents to: U.S. Patent and Trademark Office, Mail Stop: Assignment Recordation Branch, P.O. BOX 1450, Alexandria, VA 22313. If you have any questions regarding this notice, you may contact the Assignment Recordation Branch at 571-272-3350.

LAZENA MARTIN  
ASSIGNMENT RECORDATION BRANCH  
PUBLIC RECORDS DIVISION

**ASSIGNMENT AND ASSUMPTION AGREEMENT**

This ASSIGNMENT AND ASSUMPTION AGREEMENT (this “Assignment”), effective as of December 28, 2020, is made by and between UNIVISION COMMUNICATIONS INC., a Delaware corporation (“UCI”), UNIVISION INTERACTIVE MEDIA, INC., a Delaware corporation (“UIM” and together with UCI, “ASSIGNORS”) and UNIVISION DIGITAL IP HOLDINGS, LLC, a Delaware limited liability company (“ASSIGNEE”).

WHEREAS, the parties hereto wish to effect the consolidation, in a separate legal entity, of (i) the intellectual property, including trademarks and tradenames, related to Univision’s digital products and (ii) the operations of Prende TV, Univision’s advertisement-based video on demand service; and

WHEREAS, ASSIGNEE is the successor to that portion of ASSIGNORS’ business to which the trademarks and services marks shown in Exhibit A to be pending as intent to use applications pertain;

WHEREAS, UCI is the legal and beneficial owner of the trademarks and tradenames related to Univision’s digital products; and

WHEREAS, UIM is currently engaged in the process of developing Prende TV; and

WHEREAS the Prende TV trademarks are owned by UCI; and

WHEREAS, UIM owns 100% of the membership interests (the “Interests) of UniVOD, LLC (“UniVOD”); and

WHEREAS, employees and consultants of UniVOD are engaged in developing the market strategy and program scope of Prende TV; and

WHEREAS, UniVOD (through Univision Management Co.) contracted with Meridian Advisory Group (“Meridian”) to manage, and assist in technology implementation with respect to, Prende TV pursuant to a consulting agreement; and

WHEREAS, UIM has funded \$8 million of fees under the consulting agreement with Meridian, and \$2 million of UniVOD capital expenditures.

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNORS and ASSIGNEE hereby agree as follows:

1. Assignment and Assumption.

(a) UCI hereby irrevocably contributes assigns and transfers exclusively to ASSIGNEE all rights, title and interest of UCI in the United States of America, in perpetuity, including all statutory and common law rights, in and to the trademarks and service marks set forth on Exhibit A (whether or not registered), together with all goodwill symbolized thereby and/or associated therewith, including all of the registrations and applications therefor, together with the right to sue or make claims for any past, present or future infringement, misappropriation or unauthorized use thereof and the right to all income, royalties, damages and other payments that are now or may hereafter become due or payable with respect thereto, including, without limitation, damages for any past, present or future infringement, misappropriation or unauthorized use thereof, all of such rights, title and interest to be held and enjoyed by ASSIGNEE and its

successors and assigns to the same extent that such would have been held and enjoyed by UCI had this Assignment not been made, and ASSIGNEE hereby accepts such assignment.

(b) UIM hereby irrevocably contributes assigns and transfers exclusively to ASSIGNEE all rights, title and interest of UIM in and to the Interests, and ASSIGNEE hereby accepts such assignment.

2. Further Assurance. ASSIGNORS and ASSIGNEE agree to execute such other documents and perform such other acts as may be reasonably necessary or proper to effect and perfect the aforementioned assignments.

3. Tax Matters. For United States federal and applicable state and local tax purposes, the parties hereto agree to treat the transactions contemplated by this Assignment as contributions of property by ASSIGNORS to ASSIGNEE in exchange for interests in ASSIGNEE within the meaning of Section 721(a) of the Internal Revenue Code of 1986, as amended, and no party hereto shall take any position on any tax return, in any administrative or judicial proceeding, or otherwise, that is inconsistent with such treatment.

4. Miscellaneous. This Assignment constitutes the entire agreement and supersedes all prior agreements and understandings, written or oral, between the Parties with respect to the subject matter hereof. This Assignment is governed by and will be construed and enforced in accordance with the federal laws of the United States of America (where applicable) and the laws of the State of New York, without giving effect to any conflicts of laws principles that would require the application of the laws of any other jurisdiction. This Assignment may be executed in two or more counterparts, each and all of which will be deemed an original and all of which together will constitute but one and the same instrument. The facsimile signature of a party to this Assignment or any instrument delivered in connection with the consummation of the transactions described herein or a PDF copy of the signature of a party to this Assignment or any instrument delivered in connection with the consummation of the transactions described herein delivered by electronic mail for purposes of execution or otherwise, is to be considered to have the same binding effect as the delivery of an original signature on this Assignment or on an original instrument.

*[Signature Page to Follow]*

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date first written above.
