## ASSIGNMENT AND ASSUMPTION AGREEMENT

**THIS ASSIGNMENT AND ASSUMPTION AGREEMENT** (this “**Agreement**”), dated as of May 3, 2019 is entered into by and among RS2 Technologies, LLC, an Indiana limited liability company (“**RS2**”), RS2 Technology Group, Inc., an Indiana corporation (“**RS2 Group**” and together with RS2, “**Assignors**”), and Vanderbilt, LLC, a Delaware limited liability company (“**Assignee**”).

### BACKGROUND

This Agreement is made pursuant to that certain Asset Purchase Agreement (the “**Purchase Agreement**”), dated as of April 18, 2019, by and among Assignee, Assignors, Ezoob, Incorporated an Indiana corporation, The Sulek Group, Inc., an Indiana corporation, RSONZ3, Inc., an Illinois corporation, and Barnard Companies, Inc., an Illinois corporation, and David Barnard, in his capacity as the Seller Representative. Capitalized terms used but not defined in this Agreement shall have the meanings set forth in the Purchase Agreement.

### AGREEMENT

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained herein and in the Purchase Agreement, and for other good and valuable consideration, the receipt and adequacy of which are conclusively acknowledged, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

1. Assignment. Effective as of the Closing Date and in accordance with and subject to the terms of the Purchase Agreement, RS2 and RS2 Group hereby, jointly and severally, sell, assign, transfer and convey to Assignee, all of their right, title and interest in and to (a) the Assumed Contracts and the Assumed Leases listed on Schedule A hereto and (b) the Intellectual Property Registrations listed on Schedule B hereto and all other Sellers Intellectual Property Rights, including all renewals and extensions of the Intellectual Property Registrations together with all of the goodwill associated with the Sellers Intellectual Property Rights, all income, royalties and payments due or payable as of the Closing Date and thereafter, all claims for damages by reason of past, present or future infringements or other unauthorized uses of the Sellers Intellectual Property Rights, with the right to sue for and collect the same in Assignee’s own name, and all other corresponding rights that are or may be secured under the Laws of the United States or any foreign jurisdiction, now or hereafter in effect, for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors and assigns, at least as fully and entirely as the same would have been held and enjoyed by Assignors if this Agreement had not been made; (a) and (b) each free and clear of all Liens, except Permitted Liens.

2. Assumption. Effective as of the Closing Date and in accordance with and subject to the terms of the Purchase Agreement, Assignee hereby (a) purchases and accepts the sale, assignment, transfer and conveyance of RS2 and RS2’s rights, titles and interests in and to the Assumed Contracts and the Assumed Lease listed on Schedule A hereto and the Intellectual Property Registrations listed on Schedule B hereto and all other Sellers Intellectual Property Rights and (b) assumes and agrees to pay, perform and discharge when due the Assumed

Liabilities related thereto. For the avoidance of doubt, Assignee does not and will not assume or become obligated to pay or perform any of the Retained Liabilities.

3. Non-Assignable Contracts. Notwithstanding anything to the contrary, this Agreement shall not constitute an assignment or a purported assignment of any Non-Assignable Contracts. The parties hereto agree that any Non-Assignable Contracts shall be administered pursuant to Section 2.5 of the Purchase Agreement.

4. Further Assurances. Assignors shall take, and shall cause their respective employees and independent contractors to take, all further reasonable actions, and provide to Assignee and Assignee's successors and assigns, all such reasonable cooperation and assistance (including, the execution and delivery of all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney and other documentation), requested by Assignee to more fully and effectively effectuate the purposes of this Agreement, all at Assignee's sole cost and expense, including cooperation and assistance in (a) the preparation and prosecution of applications for registration and applications for renewal of registrations relating to any of the rights assigned herein; (b) the prosecution or defense of any interference, opposition, infringement or other proceedings that may arise in connection with any of the rights assigned herein; (c) obtaining any additional protection relating to any of the rights assigned herein that Assignee may deem appropriate; and (d) the recording of this Agreement, the execution of all documentation and the completion of all other actions required by the relevant Governmental Authorities and authorized registrars to effectuate the assignment the Intellectual Property Registrations to Assignee.

5. Entire Agreement. This Agreement and the Purchase Agreement constitute the entire agreement among the parties hereto with respect to the subject matter of this Agreement, and supersede all prior agreements, understandings, and negotiations, whether written or oral, with respect to the subject matter of this Agreement.

6. Successors. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

7. No Amendment. This Agreement may not be amended or modified except by an instrument in writing signed by all of the parties hereto.

8. Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without regard to the conflict of laws provisions of any jurisdiction. All actions and proceedings arising out of or relating to this Agreement shall be subject to and resolved in accordance with the dispute provisions set forth in the Purchase Agreement.

9. Counterparts. This Agreement may be executed (including by facsimile or email of a .pdf attachment) in any number of counterparts, each of which will be deemed an original, but all of which together will constitute but one and the same instrument. The parties hereto may deliver this Agreement by facsimile or email of a .pdf attachment, and each party hereto shall be permitted to rely upon the signatures so transmitted to the same extent and effect as if they were original signatures.

10. Governing Documents. Nothing contained herein shall release Assignors or Assignee from any of their respective obligations under the Purchase Agreement or in any way supersede, enlarge, diminish, limit, amend or modify any representations, warranties, covenants, indemnities or agreements of Assignors and Assignee set forth therein. In the event of any conflict between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

*[Remainder of this page was intentionally left blank; signature pages to follow]*

IN WITNESS WHEREOF, the parties hereto have caused this Assignment and Assumption Agreement to be duly executed as of the date first above written.
