RELEASE OF SECURITY INTEREST IN TRADEMARKS

This RELEASE OF SECURITY INTEREST IN TRADEMARKS (this “Release”), dated as of March 4, 2021 (the “Effective Date”), is made by CITIBANK, N.A., in its capacity as administrative agent and collateral agent (in such capacities, the “Agent”), in favor of PETCO WELLNESS, LLC, PETCO ANIMAL SUPPLIES, INC., PETCO ANIMAL SUPPLIES STORES, INC., and PETCO SUPPORT SERVICES, LLC (each a “Grantor,” and together the “Grantors”). All capitalized terms used, but not otherwise defined herein, shall have the respective meanings ascribed to them in the Trademark Security Agreement (whether defined therein or by reference to another agreement).

WHEREAS, pursuant to that certain Term Loan Guarantee and Collateral Agreement, dated as of January 26, 2016 (as may have been amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), the Grantors executed and delivered a Trademark Security Agreement, dated as of January 26, 2016 (the “Trademark Security Agreement”), which was recorded in the United States Patent and Trademark Office (“USPTO”) on February 3, 2016 at Reel/Frame 5723/0799 (with respect to Petco Wellness, LLC), at Reel/Frame 5726/0550 (with respect to Petco Animal Supplies Stores, Inc.), and at Reel/Frame 5726/0627 (with respect to Petco Animal Supplies, Inc.);

WHEREAS, pursuant to the Security Agreement and the Trademark Security Agreement, each Grantor pledged and granted to the Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest (the “Security Interest”) in all of its right, title and interest in or to any and all of the following Intellectual Property then owned or at any time thereafter acquired by such Grantor or in which such Grantor then had or at any time thereafter may have acquired any right, title or interest: (i) all trademarks, service marks, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, then existing or thereafter adopted or acquired, all registrations thereof (if any), and all registration applications filed in connection therewith, including registrations and registration applications in the USPTO or any similar offices in any State of the United States or any other country or any political subdivision thereof (except for “intent-to-use” applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of the Lanham Act has been filed, to the extent that, and solely during the period for which, any assignment of an “intent-to-use” application prior to such filing would violate the Lanham Act), and all renewals thereof, including those listed on Schedule I, (ii) all goodwill associated therewith or symbolized thereby; all claims for, and rights to sue for, past or future infringements of any of the foregoing, and (iii) all income, royalties, damages and payments now or hereafter due and payable with respect to any of the foregoing, including damages and payments for past or future infringement thereof (collectively, the “Trademark Collateral”); and

WHEREAS, the Agent and the Grantor acknowledge that the requirements for releasing the Security Interest in the Trademark Collateral have been met.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Agent, hereby (i) terminates and cancels the Trademark Security Agreement, (ii) releases, discharges, terminates and cancels the Security Interest in and to the Trademark Collateral, and (iii) re-assigns to each Grantor any right, title or interest it may have in the Trademark Collateral of such Grantor, in each case without recourse to the Agent and without representation or warranty of any kind.

Each Grantor, or any successor to such Grantor (including any person or entity hereafter having any right, title or interest in or to the Trademark Collateral of such Grantor), is hereby authorized to record this Release in the USPTO.

IN WITNESS WHEREOF, the Agent has caused this this Release to be executed and delivered by its duly authorized officer as of the Effective Date.
