EXHIBIT B

TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Trademark Assignment"), is made and entered into as of January 31, 2021 (the "Effective Date"), by and among Federal Cartridge Company, a Minnesota corporation (the "Assignee"), ENVIRON-METAL, INC., an Oregon corporation ("Environ-Metal"), and Hevi-Shot Exporting, Inc., an Oregon corporation and a wholly-owned subsidiary of Environ-Metal ("Exporting", and together with Environ-Metal, collectively the "Assignors", and each an "Assignor"). The Assignors and the Assignee are each sometimes referred to herein individually as a "Party" and collectively as the "Parties."

WHEREAS, the Assignors are the owners of the trademarks and trademark applications described on Schedule 1 (the "Trademarks"); and

WHEREAS, the Assignors, the Assignee and all of the shareholders of Environ-Metal, are parties to that certain Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which the Assignors transferred their entire business to the Assignee, which included, among other things, the assignment from the Assignors to the Assignee of all of the Assignors' right, title, and interest in and to the Trademarks, together with the goodwill associated therewith. Capitalized terms used herein and not otherwise defined herein shall have the respective meanings assigned to such terms in the Purchase Agreement.

NOW THEREFORE, for the consideration set forth in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, as of the Effective Date, the Assignors shall and hereby do sell, transfer, and assign to the Assignee, and its successors and assigns, the Assignor's entire right, title, and interest in the Trademarks including, without limitation, all registrations and applications therefor and the right to apply for and register the Trademarks, in the United States of America and all foreign countries, together with, the goodwill of the Assignors' business in which the Trademarks are used and symbolized by the Trademarks, all common law and statutory rights related thereto, all rights of renewal and extension, together with all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights with respect to the Trademarks, including causes of action and other enforcement rights for (a) damages, (b) injunctive relief, and (c) any other remedies of any kind, and in each case for past, current, and future infringement of any such Trademarks, including royalties and other payments.

The Assignor hereby authorizes the respective trademark office (e.g., US Patent and Trademark Office) or Government authority in each applicable jurisdiction to issue any and all trade and service marks or other similar governmental grants, registrations, or issuances that may be granted for any of the Trademarks in the name of the Assignee, as the assignee.

This Trademark Assignment is governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or that would require or permit the application of the laws of any jurisdiction other than those of the State of Delaware. Any legal suit, action, or proceeding arising out of or related to this agreement

or the licenses granted hereunder may be instituted in the federal courts of the United States or the courts of the State of Oregon in each case located in Portland, Oregon, and each Party irrevocably submits to the jurisdiction of such courts in any such suit, action, or proceeding.

The Parties hereto agree that irreparable damage would occur if any provision of this Trademark Assignment were not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled at law or in equity.

This Trademark Assignment shall inure to the benefit of and be binding upon the Assignee and the Assignors and their respective successors and assigns. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Trademark Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment.
