TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this “Assignment”) is entered into and made effective as of October 29 2018 by and between KVZ International Limited, a British Virgin Islands company (“Assignor”) and Centric Brands Holding LLC, a Delaware limited liability company (“Assignee”). Capitalized terms used herein but not otherwise defined herein have the meanings ascribed to them in the Purchase Agreement (as defined below).

WHEREAS, Assignor owns all right, title and interest in and to the trademarks, service marks, logos, designs, names and trade names listed on Schedule A attached hereto (the “Trademarks”), all applications and registrations pertaining thereto, all common law rights associated therewith, together with all goodwill arising from use of and symbolized by such Trademarks;

WHEREAS, Differential Brands Group Inc., a Delaware corporation (“Purchaser”), Global Brands Group Holding Limited, a Bermuda corporation with limited liability, and GBG USA Inc., a Delaware corporation (“GBG”) entered into a Purchase and Sale Agreement, dated as of June 27, 2018 (the “Purchase Agreement”); pursuant to which, among other others, Purchaser agreed to purchase certain assets from GBG, including the Trademarks;

WHEREAS, Purchaser desires and directs that the Trademarks be assigned directly from Assignor, which is an Affiliate of GBG, to Assignee; and

WHEREAS, effective as of the date hereof, Assignor desires to transfer, assign and convey to Assignee, all of Assignor’s right, title and interest in and to the Trademarks, on and subject to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for certain monetary consideration and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Effective as of the date hereof, Assignor hereby sells, assigns, conveys, transfers and delivers to Assignee, its successors and permitted assigns, and Assignee hereby assumes and accepts, all of Assignor’s right, title and interest, in and to the Trademarks, including all trademark applications and registrations relating thereto, any renewals and extensions relating to the Trademarks, any common law rights to such Trademarks, all issuances, extensions and renewals of the foregoing, all rights to create new trademarks that incorporate the foregoing, all rights to request, apply for, file and register the foregoing, all goodwill of the business arising from use of and symbolized by the Trademarks, the portion of the business of Assignor to which any intent-to-use applications set forth on Schedule A pertains (and that business is ongoing and existing), all defenses, claims and causes of action either in law or in equity against third parties for any and claims for damages by reason of all present, past and future infringement, dilution or violation of the rights being assigned and the right to sue and collect damages and seek injunctive relief from the foregoing, and retain any income royalties, other payments, and proceeds therefrom now and hereafter due and/or payable to Assignor in respect to the foregoing, as well as all rights of any kind whatsoever of Assignor accruing under

any of the foregoing by applicable law of any jurisdiction, by international treaties and conventions and otherwise, and in and to all rights corresponding to the foregoing throughout the world; the aforesaid transferred rights, title and interests to be held and enjoyed by Assignee, its successors, and permitted assigns for its own use and benefit as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been entered into.

2. Recordation and Further Assurances. Assignor authorizes and requests the competent authorities including without limitation the Commissioner for Patents of the United States Patent and Trademark Office and any other empowered governmental official in the United States and/or in the relevant jurisdictions outside the United States whose duty is to issue trademark registrations or other evidence or forms of intellectual property and/or industrial property protection on applications as aforesaid, to record and/or register this Assignment in accordance with the Assignment. Assignor hereby agrees to promptly execute, or cause to be executed, upon the reasonable request of Assignee and at Assignee's sole cost and expense, such additional instruments, documents, declarations, consents and papers as are reasonably necessary or desirable to continue, secure, defend and register the Trademarks, and to otherwise give full effect to and to perfect the rights of Assignee under this Assignment, including, without limitation, (a) perfecting all right, title and interest herein conveyed; (b) prosecuting any applications herein conveyed; (c) legal proceedings involving any trademark and any applications therefor, including without limitation opposition proceedings, infringement actions and court actions; (d) all documents necessary to record in the name of Assignee the assignment of the Trademarks with the United States Patent & Trademark Office, and with respect to any equivalent foreign rights, with any other appropriate trademark office or registrar.

3. Rights Cumulative; Scope of Assignment. The rights, duties and obligations of the parties hereunder shall be cumulative and in addition to the rights, duties and obligations of the parties under the Purchase Agreement. Notwithstanding any other provision of this Assignment to the contrary, nothing contained herein shall in any way supersede, amend, rescind, waive, expand, or in any other way affect the provisions, including the representations, warranties, covenants and agreements or the rights and remedies of any of the parties under the Purchase Agreement, and, to the extent of any conflict between the terms and conditions of this Agreement and the terms and conditions of the Purchase Agreement, the terms and conditions of the Purchase Agreement shall govern. This Assignment is intended only to effect the transfer of the Trademarks, pursuant to the Purchase Agreement, and shall be governed entirely in accordance with the terms and conditions of the Purchase Agreement.

4. Governing Law. This Assignment shall be governed by, and construed in accordance with, the laws of the State of New York and the applicable federal laws of the United States of America pursuant to Title 15 of the United States Code.

5. Amendments. This Assignment may only be amended, modified or supplemented by an agreement in writing signed by each party hereto.

6. Severability. If any provision hereof or the application thereof to any Person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Assignment and the application of such provision to other Persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

7. Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. Delivery of one or more signatures to this Assignment by email (in PDF or similar electronic file format) shall be deemed adequate delivery for all purposes hereof.

8. Notices. All notices and other communications hereunder shall be in writing and shall be made in accordance with Section 11.5 of the Purchase Agreement.

9. Binding Effect; Assignment. This Assignment and the respective rights, covenants, conditions and obligations of the parties hereunder and any instrument or agreement executed pursuant hereto shall be binding upon and enforceable by, and shall inure solely to the benefit of, the parties hereunder and their respective heirs, successors and permitted assigns and legal representatives, but shall not create any rights enforceable by any other person.

10. Section Titles. The titles of the sections of this Assignment are for convenience only and will not in any way affect the interpretation of any section or of the Assignment itself.

[Signature Page Follows]

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be executed in their respective names by their respective officers duly authorized, as of the date first written above.
