TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is entered into as of March 11, 2021, by and among the Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association ("Secured Party", as hereinafter further defined).

W I T N E S S E T H:

WHEREAS, Secured Party has agreed to make certain financial accommodations available to Grantors from time to time pursuant to the terms and conditions of the Credit Agreement, dated of even date herewith, by and among Secured Party, Grantors and certain affiliates of Grantors (as the same may be modified, amended, supplemented or restated from time to time, the "Credit Agreement");

WHEREAS, the Secured Party is willing to make the financial accommodations to Grantors as provided for in the Credit Agreement and the other Loan Documents, but only upon the condition, among others, that Grantors and certain affiliates of Grantors shall have executed and delivered to Secured Party, the Security Agreement, dated of even date herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Credit Agreement, Grantors are required to execute and deliver to Secured Party this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement, and this Trademark Security Agreement shall be subject to the rules of construction set forth in Section 1.2 of the Security Agreement, which rules of construction are incorporated herein by this reference, mutatis mutandis. "Secured Party" means Wells Fargo Bank, National Association, individually, and whether as Lender, the issuer or confirming bank with respect to any Letter of Credit, provider of Bank Products or otherwise and in its capacity as agent for any affiliate of Wells Fargo Bank, National Association that is at any time owed any Bank Product Obligations, which affiliates shall be deemed hereby to have appointed Wells Fargo Bank, National Association as agent for purposes of the security interests granted hereunder.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby unconditionally grants, assigns as collateral, and pledges to Secured Party, to secure the Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the "Security Interest") in all of such Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the "Trademark Collateral");

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the UCC) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License;

provided that notwithstanding anything contained in this Agreement to the contrary, the term “Trademark Collateral” shall not include any Excluded Property.

3. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts that constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Secured Party, but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Secured Party pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Without limiting Grantors’ obligations under this Section, Grantors hereby authorize Secured Party unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Secured Party’s continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement is a Loan Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same agreement. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Execution of any such counterpart may be by means of (a) an electronic signature that complies with the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, or any other relevant and applicable electronic signatures law; (b) an original

manual signature; or (c) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Secured Party reserves the right, in its discretion, to accept, deny, or condition acceptance of any electronic signature on this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by faxed, scanned or photocopied manual signature shall also deliver an original manually executed counterpart, but the failure to deliver an original manually executed counterpart shall not affect the validity, enforceability and binding effect of this Trademark Security Agreement.

7. CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, ETC. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING GOVERNING LAW, FORUM NON CONVENIENS, WAIVER OF JURY TRIAL, SUBMISSION TO JURISDICTION AND WAIVER OF CLAIMS SET FORTH IN SECTION 8 OF THE SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.
