Except to the extent the same is otherwise expressly permitted under the Loan Documents, each Grantor agrees and covenants not to sell or assign its interest in, or grant any license under, the Patents, Marks, Copyrights or Licenses, without receiving the prior written consent of the Bank thereto.

**3. Certain Covenants, Representations and Warranties of each Grantor.** Each Grantor covenants, represents and warrants (to such Grantor's knowledge with respect to any Patents, Marks and Copyrights which are licensed by third parties to such Grantor) that: (i) except to the extent expressly permitted by the Loan Documents, the Patents, Marks, Copyrights and Licenses necessary to the business are subsisting; (ii) the Patents, Marks, Copyrights and Licenses necessary to the business have not been adjudged invalid or unenforceable in whole or in part and are not currently being challenged in any way, in each case except to the extent the same could not reasonably be expected to have a Material Adverse Effect; (iii) except to the extent expressly permitted by the Loan Documents, none of the Patents, Marks, Copyrights and Licenses have lapsed or expired or have been abandoned, whether due to any failure to pay any maintenance or other fees or make any filing or otherwise; (iv) each of the Patents, Marks, Copyrights and Licenses is valid and enforceable, except to the extent the failure to be so valid and enforceable could not reasonably be expected to have a Material Adverse Effect; (v) and such Grantor is unaware of any invalidating prior art (including public uses and sales) relative to the Patents and is unaware of any impairments to the Patents, Marks, Copyrights or Licenses, in each case which could reasonably be expected to have a Material Adverse Effect; (vi) to such Grantor's knowledge, no claim has been made that the use of any of the Patents, Marks, Copyrights or Licenses constitutes an infringement that could reasonably be expected to have a Material Adverse Effect; (vii) such Grantor owns the entire right, title and interest in and to, or otherwise has and will have adequate rights in, each of the Patents, Marks and Copyrights (other than those being licensed to such Grantor pursuant to the Licenses) free and clear of any liens and encumbrances of every kind and nature, and the Licenses are valid and subsisting licenses with respect to the Patents, Marks, Copyrights described therein, free and clear of any liens and encumbrances of every kind and nature arising by, through or under such Grantor, in each case except for (A) rights granted by such Grantor pursuant to the applicable licenses listed on **Schedules C and E**, and (B) Permitted Liens; (viii) the Patents, Marks and Copyrights and Licenses listed on **Schedules A, B, C, D and E** constitute all such items in which such Grantor has any right, title or interest on the date hereof; (ix) such Grantor has the unqualified right to enter into this Agreement and perform its terms; (x) such Grantor will provide notice in accordance with requirements of law in connection with its use of the Patents, Marks and Copyrights (except as to any thereof which is no longer material to such Grantor's business); and (xi) such Grantor will use standards of quality in its manufacture of products sold under the Marks materially consistent with those currently employed by it.

**4. New Patents, Marks, Copyrights and Licenses.** If, before the Obligations have been performed and paid in full, any Grantor shall (i) obtain rights to any new patentable inventions, trademarks, service marks, trademark or service mark registrations, copyrights, copyright registrations, trade names or licenses, or (ii) become entitled to the benefit of any patent, trademark or service mark application, trademark, service mark, trademark or service mark registration, copyrights, copyright registrations, license or license renewal, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of Section 1 above shall automatically apply thereto and such Grantor shall give to the Bank prompt written notice thereof. Each Grantor hereby authorizes the Bank to modify this Agreement by noting any future acquired Patents, Marks, Copyrights on **Schedule A, B or D** and any Licenses and licensed Patents, Marks or Copyrights on **Schedules C or E**, as applicable; provided, however, that the failure of the Bank to make any such notation shall not limit or affect the obligations of any Grantor or rights of the Bank hereunder.

**5. Royalties; Terms.** Each Grantor hereby agrees that the security interest of the Bank in all Patents, Marks, Copyrights and Licenses as described above shall be worldwide (or in the case of the Patents, Marks and Copyrights licensed to a Grantor such smaller geographic location if any is specified for such Grantor's use in the applicable License) and, without any liability for royalties or other related charges from the Bank to such Grantor; provided, however, no actions in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction shall be required in order to create any security interests in assets located or titled outside of the U.S. or to perfect such security interest, including any intellectual property registered in any non-U.S. jurisdiction (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction). The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Marks, Copyrights and Licenses assigned hereunder, or (ii) performance and payment in full of the Obligations.

**6. Inspection.** Subject to Section 6.1(j) of the Loan Agreement, the Bank shall have the right to inspect any Grantor's premises and to examine any Grantor's books, records and operations, including, without limitation, any Grantor's quality control processes. From and after the occurrence and during the continuance of an Event of Default and notice by the Bank to each Grantor of the Bank's intention to enforce its rights and claims against any of the Patents, Marks, Copyrights and Licenses, each Grantor agrees that the Bank, or a conservator appointed by the Bank, shall have the right to establish such additional product quality controls as the Bank or said conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by such Grantor under the Marks consistent with the quality of products now manufactured by such Grantor.

**7. Termination of Each Grantor's Interest.** This Agreement is made for collateral purposes only. Upon performance and payment in full of the Obligations, subject to any disposition thereof which may have been made by the Bank pursuant hereto or pursuant to any of the other Loan Documents, the security interest granted hereunder shall automatically be extinguished. The Bank shall, at the request of any Grantor and at each Grantor's reasonable expense, execute and deliver to such Grantor, all termination statements and other instruments as may be necessary or proper to evidence the termination of Bank's security interest granted to the

Bank pursuant to this Agreement, subject to any disposition thereof which may have been made by the Bank pursuant hereto or pursuant to any of the other Loan Documents. Any such termination statements and instruments shall be without recourse upon or warranty by the Bank.

**8. Duties of the Grantors.** Except to the extent the same is no longer material to such Grantor's business or to the extent the same is otherwise expressly permitted under the Loan Documents, each Grantor shall have the duty (i) to prosecute diligently any application with respect to Patents, Marks and Copyrights, in each case pending as of the date hereof or hereafter, (ii) to make application on unpatented but patentable inventions and on registerable but unregistered trademarks, service marks and copyrights, and (iii) to preserve, maintain and to the extent the Grantors shall deem appropriate under the circumstances in their commercially reasonable discretion or as the Bank shall reasonably request during the continuation of an Event of Default enforce against infringement all rights in patent applications and patents constituting the Patents, in trademark or service mark applications, trademarks, service marks, and trademark or service mark registrations constituting the Marks, and in copyright applications, copyrights and copyright registrations constituting the Copyrights, in each case, that are necessary to the business of the Grantors. Any expenses incurred in connection with the foregoing (including, but not limited to, maintenance or renewal fees) shall be borne by the Grantors. Except to the extent the same is no longer material to such Grantor's business or to the extent the same is otherwise expressly permitted under the Loan Documents, each Grantor shall not abandon any pending patent application, trademark application, copyright application, service mark application, patent, trademark, service mark or copyright without the written consent of the Bank.

**9. Bank's Right to Sue.** From and after the occurrence and during the continuance of an Event of Default, the Bank shall have the right, but shall in no way be obligated, to bring suit to enforce the Patents, the Marks, the Copyrights and the Licenses, and any licenses thereunder, and, if the Bank shall commence any such suit, each Grantor shall, at the reasonable request of the Bank, do any and all lawful acts and execute any and all proper documents reasonably required by the Bank in aid of such enforcement, and each Grantor shall promptly, upon demand, subject in each case to the terms and conditions set forth in Sections 8.3 and 8.5 of the Loan Agreement reimburse and indemnify the Bank for all reasonable costs and expenses incurred by the Bank in the exercise of its rights under this Section 9.

**10. Waivers.** No course of dealing between any Grantor and the Bank, nor any failure to exercise, nor any delay in exercising, on the part of the Bank, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

**11. Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

**12. Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 4 hereof or by a writing signed by the parties hereto.

**13. Further Assurances.** Subject to the proviso set forth in Section 5 hereof, each Grantor shall execute and deliver to the Bank, at any time or times hereafter at the reasonable request of the Bank, all papers (including, without limitation, any as may be deemed desirable by the Bank for filing or recording with any Patent and Trademark Office, and any successor thereto) and take all such reasonable actions (including, without limitation, paying the cost of filing or recording any of the foregoing in all public offices reasonably deemed desirable by the Bank), as the Bank may reasonably request, to evidence the Bank's interest in the Patents, Marks, Copyrights and Licenses and the goodwill associated therewith and enforce the Bank's rights under this Agreement.

**14. Cumulative Remedies; Power of Attorney; Effect on Financing Agreements.** All of the Bank's rights and remedies with respect to the Patents, Marks, Copyrights and Licenses, whether established hereby, by any of the Loan Documents or otherwise, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Grantor hereby constitutes and appoints the Bank as such Grantor's true and lawful attorney-in-fact, with full power of substitution in the premises, with power at any time after the occurrence and during the continuance of an Event of Default, to (i) endorse such Grantor's name on all applications, documents, papers and instruments determined by the Bank as necessary or desirable for the Bank in the use of the Patents, Marks, Copyrights and Licenses, (ii) take any other actions with respect to the Patents, Marks, Copyrights and Licenses as the Bank deems in good faith to be in the best interest of the Bank, (iii) grant or issue any exclusive or non-exclusive license under the Patents, Marks or Copyrights to any person, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Marks, Copyrights or Licenses to any person. This power of attorney shall be irrevocable until the Obligations shall have been performed and paid in full. Each Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Bank under the Security Agreement or any of the Loan Documents but rather is intended to facilitate the exercise of such rights and remedies. The Bank shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Marks, Copyrights or Licenses may be enforced. Each Grantor hereby releases the Bank from any and all claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the Bank under the powers of attorney granted herein.
