Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby grants to the Collateral Agent, together with its permitted successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all of such Grantor's right, title and interest in, to and under (a) the United States Trademark registrations and Trademark applications listed on Schedule I attached hereto, (b) all of the goodwill of such Grantor's business connected with the use of and symbolized by such Trademarks, (c) all rights to sue or otherwise recover for any past, present and future infringement, dilution, or other violation thereof, (d) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages, proceeds of suit and other payments now or hereafter due and/or payable with respect thereto, and (e) all other rights of any kind accruing thereunder or pertaining thereto throughout the world (the "Trademark Collateral"). This Agreement is not to be construed as an assignment of any trademark or trademark application. Section 1051, prior to the accepted filing of a "Statement of Use" or an "Amendment to Allege Use" with respect thereto, solely to the extent, if

Notwithstanding anything to the contrary herein, in no event shall the Trademark Collateral include, and in no event shall the Security Interest extend to, any Excluded Assets.

SECTION 3. Collateral Agreement and Intercreditor Agreements. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement and the Intercreditor Agreements, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Collateral Agreement or any Intercreditor Agreement, the terms of the Collateral Agreement or such Intercreditor Agreement, as applicable, shall govern.

SECTION 4. Termination. Subject to Section 5.13 of the Collateral Agreement, at such time as (a) the Commitments shall have expired or been terminated and (b) all Secured Obligations, including the principal of and interest on each Loan and all fees, expenses and other amounts (excluding contingent obligations as to which no claim has been made or which are otherwise not due) payable under any Loan Document shall have been paid in full in cash, the security interest granted herein shall automatically terminate and the Collateral Agent shall execute, acknowledge, and deliver to each Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Agreement.
