Whereas, Assignor has agreed to convey, transfer and assign to Assignee certain trademarks of Assignor and has agreed to execute and deliver this Trademark Assignment for recording with national, federal and state government authorities including, but not limited to, the US Patent and Trademark Office (“USPTO”).

NOW THEREFORE, the parties agree as follows:

1. Assignment. For consideration by Assignee duly acknowledged and received, Assignor hereby irrevocably conveys, transfers and assigns to Assignee all of Assignor’s right, title and interest in and to the following (the “Assigned Trademarks”), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks:

- (a) the trademarks, trademark applications, and trademark registrations set forth on Schedule A hereto and all issuances, extensions and renewals thereof;
- (b) all licenses and similar contractual rights with respect to any of the foregoing granted by Assignor to any third party (“Licenses”);
- (c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing;
- (d) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by any applicable law of any jurisdiction throughout the world; and
- (e) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor authorizes the Commissioner for Trademarks of the USPTO and any other national, federal and state government officials to record and register this Trademark Assignment upon request by Assignee. Assignor shall execute any and all documents and take all other further actions as reasonably requested by Assignee to transfer ownership of the Assigned Trademarks including, but not limited to, assignments, transfers and related powers of attorney.

3. Representations and Warranties. Assignor hereby represents and warrants to Assignee as follows, as of the date hereof:

(a) All required filings and fees related to the Assigned Trademarks listed on Schedule A hereto have been timely filed with and paid to the USPTO and other relevant governmental authorities and authorized registrars, and such Assigned Trademarks are otherwise in good standing. Assignor has provided Assignee with true and complete copies of any file histories, documents, certificates, office actions, correspondence and other materials related to such Assigned Trademarks that are not publicly available from the USPTO website.

(b) Assignor owns all right, title and interest in and to the Assigned Trademarks, free and clear of liens, security interests and other encumbrances. Assignor is in full compliance with all legal requirements applicable to the Assigned Trademarks and Assignor's ownership and use thereof.

(c) Assignor has provided Assignee with true and complete copies of all Licenses related to the Assigned Trademarks. All such Licenses are valid, binding and enforceable between Assignor and the other parties thereto, and Assignor and such other parties are in full compliance with the terms and conditions of such Licenses.

(d) No person has infringed, violated or misappropriated, or is infringing, violating or misappropriating, the Assigned Trademarks.

4. General.
