**Intellectual Property Security Agreement**

INTELLECTUAL PROPERTY SECURITY AGREEMENT dated as of March 11, 2021 (this “Agreement”), made by each of Hyper Mania Ltd., a limited company incorporated under the laws of Israel (“Hyper Mania”), Jelly Button Games Ltd., a limited company incorporated under the laws of Israel (“Jelly Button”), and Playtika Ltd., a limited company incorporated under the laws of Israel (“Playtika Ltd.” and, together with Hyper Mania and Jelly Button, the “Pledgors”), in favor of Credit Suisse AG, Cayman Islands Branch, as Collateral Agent (as defined below).

WHEREAS, Playtika Holding Corp., a Delaware corporation (the “Borrower”), has entered into that certain Credit Agreement dated as of December 10, 2019 (as modified by that certain Incremental Assumption Agreement No. 1, dated as of June 15, 2020, as amended by that certain First Amendment to Credit Agreement, dated as of October 23, 2020, as modified by that certain Incremental Assumption Agreement No. 2, dated as of January 15, 2021, as modified by that certain Incremental Assumption Agreement No. 3 and Second Amendment to Credit Agreement, dated as of the date hereof (the “Second Amendment”) and as it may be further amended, restated, amended and restated, replaced, substituted, supplemented, waived or otherwise modified from time to time, the “Credit Agreement”), among the Borrower, the Lenders party thereto from time to time and Credit Suisse AG, Cayman Islands Branch, as administrative agent and as collateral agent for the Secured Parties (together with its successors and assigns in such capacity, the “Collateral Agent”).

WHEREAS, the Loan Parties may from time to time incur Other First Lien Obligations under Other First Lien Agreements (each as defined in the applicable Foreign Collateral Agreement (as defined below)).

WHEREAS, under the applicable Israeli Collateral Agreements (as defined in the Credit Agreement) (the “Foreign Collateral Agreements”), each Pledgor has granted to the Collateral Agent, for the benefit of the Secured Parties, a floating charge security interest in, among other property, certain intellectual property of such Pledgor, and has agreed to execute this Agreement for recording with the United States Patent and Trademark Office (“USPTO”) and the United States Copyright Office (“USCO”).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. ***Terms.*** Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Credit Agreement (or any Equivalent Provision thereof). The rules of construction specified in Section 1.02 of the Credit Agreement (or any Equivalent Provision thereof) also apply to this Agreement.

SECTION 2. ***Grant of Security Interest.*** As security for the payment and performance, as the case may be, in full of its Secured Obligations (as defined in the applicable Foreign Collateral Agreement) when due, each Pledgor pursuant to the applicable Foreign Collateral Agreements did, and hereby does, grant to the Collateral Agent, for the benefit of the Secured Parties, a floating charge security interest in all of such Pledgor’s right, title and interest in or to any and all patents, trademarks, service marks, trade names, trade dress, designs, logos, domain names and other source identifiers, copyrights or mask works, domain names, data, databases,

software, trade secrets, applications and registrations for any of the foregoing, and all other intellectual property or proprietary rights, in each case, now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest, including, without limitation, as of the date hereof all patents listed on Schedule I, all copyrights listed on Schedule II and all trademarks listed on Schedule III (collectively, the “IP Collateral”); provided, however, that the foregoing pledge, assignment and grant of security interest shall not include any Excluded Property (as defined in the applicable Foreign Collateral Agreement), including any “intent-to-use” applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) or 1(d) of the Lanham Act has been filed, to the extent, if any, that any assignment of an “intent-to-use” application prior to such filing would violate the Lanham Act.

**SECTION 3. *Foreign Collateral Agreements.*** The floating charge security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the floating charge security interests granted to the Collateral Agent pursuant to the Foreign Collateral Agreements. Each Pledgor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the IP Collateral are more fully set forth in the Foreign Collateral Agreements, the terms and provisions of each Foreign Collateral Agreement, as applicable, are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and any Foreign Collateral Agreement, the terms of the such Foreign Collateral Agreement shall govern with respect to the applicable Pledgor.

**SECTION 4. *Release.*** (i) Upon any sale or other transfer by any Pledgor of any IP Collateral that is not prohibited by the Credit Agreement or any Other First Lien Agreement to any person that is not a Pledgor, (ii) upon the effectiveness of any written consent to the release of the security interest granted hereby in any IP Collateral pursuant to Section 9.08 of the Credit Agreement (or any Equivalent Provision thereof) and any equivalent provision of any applicable Other First Lien Agreement (in each case, to the extent required thereby), or (iii) as otherwise may be provided in any applicable Foreign Collateral Agreement or any applicable Intercreditor Agreement, the security interest in such IP Collateral shall be automatically released, all without delivery of any instrument or performance of any act by any party.

**SECTION 5. *Recordation.*** Each Pledgor hereby requests and authorizes the USPTO and the USCO to record this Agreement against the IP Collateral set forth on the Schedules to this Agreement and such additional IP Collateral as may be acquired or created by the Pledgors from time to time.

**SECTION 6. *Counterparts.*** This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

**SECTION 7. *Governing Law.*** THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS

AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.
