TRADEMARK ASSIGNMENT AGREEMENT

This **TRADEMARK ASSIGNMENT AGREEMENT** (this “**Trademark Assignment**”) is made as of December 30, 2020, by and between Big Recruiting, LLC, a Delaware limited liability company f/k/a Jobing.com, LLC (the “**Assignor**”), and Recruiting.com, LLC, a Delaware limited liability company (the “**Assignee**” and, together with the Assignee, the “**Parties**” and each a “**Party**”).

RECITALS

WHEREAS, a third party (the “**Buyer**”) and Assignee are entering into an Asset Purchase Agreement (the “**Purchase Agreement**”), pursuant to which Assignee will sell, assign, transfer and convey to the Buyer certain assets relating to the business of Assignee, including the Assigned Trademarks (as defined below), and the Buyer will agree to purchase and accept from Assignee such assets, upon the terms and subject to the conditions of the Purchase Agreement; and

WHEREAS, in order to induce the Buyer to enter into the Purchase Agreement and consummate the transactions contemplated thereby (the “**Acquisition**”), from which the Assignor will derive an immediate and direct benefit, and in consideration therefor, the adequacy of which is hereby acknowledged, the Parties desire for the Assignor to assign, transfer and convey to the Assignee all of Assignor’s right, title and interest in and to the Assigned Trademarks and to execute and deliver this Trademark Assignment for recording with the United States Patent and Trademark Office and corresponding entities or agencies in any applicable jurisdictions, so that the Assigned Trademarks can be sold, assigned, transferred and conveyed by the Assignee to the Buyer in connection with the Acquisition.

NOW, THEREFORE, the Parties agree as follows:

1. Assignment. In consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably assigns, transfers and conveys to Assignee, and Assignee hereby accepts, all of Assignor’s right, title, and interest in and to the following (the “**Assigned Trademarks**”), together with the goodwill of the Business connected with the use of, and symbolized by, the Assigned Trademarks:

(a) the trademark registrations and trademark applications set forth on Schedule 1 attached hereto and incorporated by reference and all issuances, extensions, and renewals thereof;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and

future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office to record and register this Trademark Assignment upon reasonable request by Assignee. Following the date hereof, upon Assignee's reasonable request, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Assignee, at Assignee's expense. In the event Assignee is unable for any reason, after reasonable effort, to secure Assignor's signature on any document needed in connection with the actions specified herein, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents as its agent and attorney in fact, which appointment is coupled with an interest, to act for and on its behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this paragraph with the same legal force and effect as if executed by Assignor. Assignor hereby waives and quitclaims to Assignee any and all claims, of any nature whatsoever, which Assignor now or may hereafter have for infringement of any Assigned Trademarks assigned hereunder.

3. Counterparts. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Trademark Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment.

4. Successors and Assigns. This Trademark Assignment shall be binding upon and shall inure to the benefit of the Parties and their respective successors and assigns.

5. Governing Law. This Trademark Assignment will be governed and construed in accordance with the laws of the State of Delaware without giving effect to any conflicts of laws principles that require the application of the law of a different state. Assignor hereby expressly consents to the personal jurisdiction of the state and federal courts located in the county in which Assignee has its principal offices for any lawsuit filed there against Assignor by Assignee arising from or related to this Trademark Assignment.

[Signature page immediately follows.]

IN WITNESS WHEREOF, the undersigned parties have executed this Trademark Assignment Agreement as of the date first set forth above.
