SECOND LIEN TRADEMARK SECURITY AGREEMENT

This SECOND LIEN TRADEMARK SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Second Lien Trademark Security Agreement") dated March 30, 2021, is made by the Person listed on the signature pages hereof (the "Grantor") in favor of ING Bank N.V., London Branch, as Collateral Agent (the "Collateral Agent") for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Senior Secured Debt Documents and the Amended and Restated Second Lien Pledge and Security Agreement.

WHEREAS, reference is made to that certain Deed of Covenant and Guarantee dated as of 14 December 2018 relating to Second Lien Floating Rate Notes due 2025 among Greenrock Finance, Inc., certain other Guarantors (as defined therein) and the Collateral Agent.

WHEREAS, the Grantor entered into the Amended and Restated Second Lien Pledge and Security Agreement dated as of the 14 December 2018 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Amended and Restated Second Lien Pledge and Security Agreement") as security for each Guarantor's obligations under the Second Lien Finance Documents.

WHEREAS, under the terms of the Amended and Restated Second Lien Pledge and Security Agreement, the Grantor granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and agreed as a condition thereof to execute this Second Lien Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. The Grantor hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties a security interest in all of the Grantor's right, title and interest in and to the Trademarks (as defined in the Amended and Restated Second Lien Pledge and Security Agreement) set forth in Schedule A hereto, excluding any Excluded Collateral, (the "Collateral").

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by the Grantor under this Second Lien Trademark Security Agreement secures the payment of all Obligations of the Grantor now or hereafter existing, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Second Lien Trademark Security Agreement secures, as to the Grantor, the payment of all amounts that constitute part of the Obligations and that would be owed by the Grantor to any Secured Party but for the fact that such Obligations are

unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. This Second Lien Trademark Security Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The Grantor authorizes and requests that the Commissioner for Trademarks of the United States Patent and Trademark Office record this Second Lien Trademark Security Agreement.

SECTION 4. Execution in Counterparts. This Second Lien Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This Second Lien Trademark Security Agreement has been entered into in conjunction with the provisions of the Amended and Restated Second Lien Pledge and Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Amended and Restated Second Lien Pledge and Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Second Lien Trademark Security Agreement and the terms of the Amended and Restated Second Lien Pledge and Security Agreement, the terms of the Amended and Restated Second Lien Pledge and Security Agreement shall govern.

SECTION 6. GOVERNING LAW. THIS SECOND LIEN TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. Severability. In case any one or more of the provisions contained in this Second Lien Trademark Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Amended and Restated Second Lien Pledge and Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

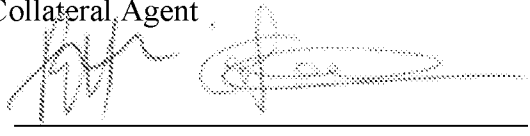

[Signature Page Follows]

IN WITNESS WHEREOF, the Grantor has caused this Second Lien Trademark Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first written above.
