INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT ("**IP Assignment**"), dated as of January 18, 2019, is made by Patheos, LLC, a Delaware limited liability company ("**Patheos**"), Beliefnet, Inc., a Delaware corporation ("**Beliefnet**"), and BN Media Associates, LLC, a Delaware limited liability company ("**BN Media**", and, together with Patheos and Beliefnet, "**Sellers**" and, each, a "**Seller**"), in favor of BN Media, LLC, a Delaware limited liability company ("**Buyer**").

WHEREAS, Buyer is the purchaser of certain assets of Sellers pursuant to an Asset Purchase Agreement between Buyer and Sellers dated as of December 22, 2018 (the "**Asset Purchase Agreement**"); and

WHEREAS, under the terms of the Asset Purchase Agreement, Sellers have agreed to convey, transfer, and assign to Buyer, among other assets, certain intellectual property of Sellers, and have agreed to execute and deliver this IP Assignment.

NOW THEREFORE, each Seller hereby agrees as follows:

1. Definitions: The following terms have the following meanings:

(a) "**Affiliate**" means, with respect to any specified Person, any other Person who, directly or indirectly, controls, is controlled by, or is under common control with such Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise.

(b) "**Asset Purchase Agreement**" has the meaning set forth in the recitals.

(c) "**Assigned IP**" has the meaning set forth in Section 2.

(d) "**Beliefnet**" has the meaning set forth in the preamble.

(e) "**BN Media**" has the meaning set forth in the preamble.

(f) "**Business**" means the business, in which Sellers are each engaged, of producing and publishing faith based content for web and app platforms.

(g) "**Buyer**" has the meaning set forth in the preamble.

(h) "**Encumbrance**" means any charge, claim, community property interest, pledge, condition, equitable interest, lien (statutory or other), option, security interest, mortgage, easement, encroachment, right of way, right of first refusal, or restriction of any kind, including any restriction on use, voting, transfer, receipt of income, or exercise of any other attribute of ownership.

(i) **“Intellectual Property”** means any and all of the following and similar intangible property and related proprietary rights, interests and protections, however arising, pursuant to the laws of any jurisdiction throughout the world: (a) trademarks, service marks, trade names, brand names, logos, identifiers, slogans, trade dress and other proprietary indicia of goods and services, whether registered or unregistered, and all registrations, applications for registration, common-law rights and other rights relating to such trademarks and other proprietary indicia, regardless of whether they are pending or abandoned, including intent-to-use applications, all issuances, extensions and renewals of such registrations and applications and the goodwill connected with the use of and symbolized by any of the foregoing; (b) internet domain names, whether or not trademarked, registered in any top-level domain by any authorized private registrar or governmental authority; (c) images, text, web designs, code, scripts, programs, graphics, forms, tables, indexes, style sheets, webpages, audio elements, visual elements, and other content, information, or material that is (or has been) displayed on, published on, posted on, or otherwise used with any of the aforementioned internet domain names; (d) social media accounts, handles, posts, channels, and other social media information, content, and materials; (e) literary works, texts, musical works, lyrics, dramatic works, pantomimes, choreographic works, pictorial works, graphic works, sculptural works, motion pictures, visual works, audiovisual works, sound recordings, architectural works, software code, software applications, and other original works of authorship in any medium of expression or format (whether or not published, copyrighted or copyrightable), all copyrights (whether registered or unregistered), all registrations and applications for registration of such copyrights, and all issuances, extensions and renewals of such registrations and applications; (f) confidential information, formulas, designs, ideas, models, flowcharts, notes, source code, object code, applications, programs, test results, notebooks, sketches, devices, technology, know-how, research and development, inventions, methods, processes, compositions, trade secrets and any information, data or materials that may reasonably be deemed to be proprietary or confidential to a party, whether or not patentable or otherwise protectable; (g) patented and patentable designs and inventions, all design, plant and utility patents, letters patents, utility models, Patent Cooperation Treaty applications, pending and abandoned patent applications, non-provisional applications, provisional applications and all issuances, divisionals, continuations, continuations-in-part, reissues, extensions, revivals, reexaminations and renewals of such patents and applications; (h) rights of publicity, rights of privacy and any other proprietary rights; and (i) all rights to sue and recover and retain damages, costs and attorneys’ fees for past, present and future infringement and any other rights relating to any of the foregoing.

(j) **“Intellectual Property Assets”** means any and all Intellectual Property that is owned (or purportedly owned) by (or otherwise licensed to (or possessed by) and assignable by) any Seller, including, without limitation:

(i) All trademarks/service marks owned or otherwise controlled by such Seller, including, without limitation, as set forth in Exhibit A;

(ii) All domain names owned or otherwise controlled by such Seller, including, without limitation, as set forth in Exhibit B;

(iii) All original works, licenses, and copyrights, including, without limitation, for the registered copyrighted works listed on Exhibit C and any and all content currently or

previously published on websites corresponding to the domain names set forth above and in Exhibit B, as well as any and all software applications and platforms owned by such Seller;

(iv) All social media accounts and channels of such Seller, including, without limitation, as listed in Exhibit D, along with all corresponding content and materials;

(v) Any and all Intellectual Property Licenses; and

(vi) Any and all Intellectual Property relating to the foregoing.

(k) **“Intellectual Property Licenses”** means all licenses, sublicenses, and other agreements by or through which other Persons, including any of Seller’s Affiliates, grant such Seller the exclusive or non-exclusive rights, licenses, waivers, or interests in or to any Intellectual Property that is used in or necessary for the conduct of the Business as currently conducted.

(l) **“IP Assignment”** has the meaning set forth in the preamble.

(m) **“Seller”** and **“Sellers”** have the meanings set forth in the preamble.

(n) **“Patheos”** has the meaning set forth in the preamble.

(o) **“Permitted Encumbrances”** means imperfections of title or Encumbrances, if any, which are not, individually or in the aggregate, material to the Assigned IP.

(p) **“Person”** means an individual, corporation, partnership, joint venture, limited liability company, governmental authority, unincorporated organization, trust, association, or other entity.

(q) **“Trademarks”** has the meaning set forth in Section 2(a).

2. Assignment. In consideration of the execution of the Asset Purchase Agreement, the payment of the consideration stipulated in the Asset Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Seller hereby irrevocably sells, assigns, transfers, conveys, and delivers to Buyer, free and clear of any Encumbrances (other than Permitted Encumbrances) all of such Seller’s right, title, and interest in, to, and under all of such Seller’s assets, properties, and rights of every kind and nature, whether intangible (including goodwill) or otherwise, whether now existing or hereafter acquired (other than the assets described in Exhibit E) all of such Seller’s Intellectual Property Assets (collectively and individually, the **“Assigned IP”**), including, without limitation:

(a) The trademark registrations and applications set forth in Exhibit A hereto and all issuances, extensions, and renewals thereof (the **“Trademarks”**), together with the goodwill of the business connected with the use of and symbolized by the Trademarks and any common-law rights relating thereto;

(b) The domain names owned or otherwise controlled by such Seller, as set forth in Exhibit B;

(c) All original works, licenses, and copyrights, including, without limitation, for the registered copyrighted works listed on Exhibit C, all content currently or previously published on the domain names set forth in Section 2(b) above and Exhibit B, as well as any and all software applications and platforms owned by such Seller;

(d) All social media accounts and channels of such Seller, including, without limitation, as listed in Exhibit D, along with all corresponding content and materials;

(e) All rights of any kind whatsoever of such Seller accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(f) Any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing;

(g) Any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages; and

(h) Any and all Intellectual Property relating to the foregoing.

3. Recordation and Further Actions. Sellers each authorize the Commissioner for Patents and the Commissioner for Trademarks in the United States Patent and Trademark Office, the Register of Copyrights in the United States Copyright Office, and any other governmental officials to record and register this IP Assignment (or any document confirming one or more assignments set forth herein) upon request by Buyer. Following the date hereof, Sellers shall each take such steps and actions, and provide such cooperation and assistance to Buyer and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, files, registrations, or other documents, to ensure that the Assigned IP is properly assigned to Buyer, or any assignee or successor thereto.

4. Terms of the Asset Purchase Agreement. The terms of the Asset Purchase Agreement, including, but not limited to, the representations, warranties, covenants, agreements, and indemnities relating to the Assigned IP are incorporated herein by this reference. Each Seller acknowledges and agrees that the representations, warranties, covenants, agreements, and indemnities contained in the Asset Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any direct conflict between the terms of the Asset Purchase Agreement and the terms hereof, the terms of this IP Assignment shall govern.

5. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail, or other means

of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

6. Successors and Assigns. This IP Assignment shall be binding upon and shall inure to the benefit of each Seller and Buyer and their respective successors and assigns.

7. Governing Law. This IP Assignment and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this IP Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).
