## TRADEMARK SECURITY AGREEMENT

**THIS TRADEMARK SECURITY AGREEMENT**, dated as of November 19, 2020 (this "Agreement"), is entered into by SUN COAST RESOURCES, INC., a Texas corporation (the "Grantor"), in favor of JPMORGAN CHASE BANK, N.A., a national banking association, in its capacity as administrative agent (the "Administrative Agent") for the lenders party to the Credit Agreement referred to below.

### WITNESSETH:

**WHEREAS**, the Grantor, the other Loan Parties (as defined in the Credit Agreement) thereto, the Lenders (as defined in the Credit Agreement) and the Administrative Agent have entered into that certain Credit Agreement dated as of November 19, 2020 (as amended, restated, supplemented or otherwise modified from time to time and in effect, the "Credit Agreement") with the Administrative Agent, pursuant to which the Administrative Agent has agreed to make certain loans to the Grantor (collectively, the "Loans").

**WHEREAS**, in connection with the Credit Agreement, the Grantor, the other Loan Parties (as defined in the Credit Agreement) thereto, and the Administrative Agent have entered into that certain Pledge and Security Agreement dated as of November 19, 2020 (as amended, restated, supplemented or otherwise modified from time to time and in effect, the "Security Agreement") in order to induce the Administrative Agent to enter into and extend the Loans to the Grantor under the Credit Agreement.

**WHEREAS**, a condition precedent to the extension of the Loans to the Grantor is the Grantor's execution and delivery of this Agreement.

**NOW, THEREFORE**, in consideration of the premises and to induce the Administrative Agent to enter into the Credit Agreement and Security Agreement, and for other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL**. The Grantor hereby unconditionally grants, collaterally assigns, and pledges to the Administrative Agent, for the benefit of each of the Lenders (as defined in the Credit Agreement), a continuing security interest (referred to in this Agreement as the "Security Interest") in all of the Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the "Trademark Collateral"):

(a) each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 annexed hereto, together with any reissues, continuations, renewals or extensions thereof and all goodwill associated therewith;

(b) each trademark license, including, without limitation, each trademark license listed on Schedule 1 annexed hereto, together with all goodwill associated therewith; and

(c) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement, misappropriation, dilution or violation of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 annexed hereto.

3. SECURITY FOR SECURED OBLIGATIONS. This Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by the Grantor to the Administrative Agent, or any of the other Lenders (as defined in the Credit Agreement), whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving the Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Agreement is granted in conjunction with the security interests granted to the Administrative Agent, for the benefit of the Lenders (as defined in the Credit Agreement), pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. Grantor shall give the Administrative Agent prompt notice in writing of any additional trademark registrations granted therefor after the date hereof. Without limiting the Grantor's obligations under this Section, the Grantor hereby authorizes the Administrative Agent unilaterally to modify this Agreement by amending Schedule I to include any future United States registered trademarks or applications therefor of the Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Administrative Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Agreement is a Loan Document (as defined in the Credit Agreement). This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by any electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by any electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.
