RELEASE OF SECURITY INTEREST IN TRADEMARKS

This RELEASE OF SECURITY INTEREST IN TRADEMARKS (this “Release”), dated as of April 1, 2021 (the “Effective Date”), is made by BMO Harris Bank N.A., as successor in interest to M&I Marshall Ilsley Bank, the successor in interest to Southwest Bank of St. Louis (the “Bank”), in favor of Luxco, Inc., a Missouri corporation f/k/a David Sherman Corporation (“Grantor”).

WHEREAS, the Bank and Grantor are successor parties to an Amended and Restated Trademark Security Agreement dated September 30, 2004 (the “2004 Trademark Security Agreement”), recorded with the United States Patent and Trademark Office (the “USPTO”) at Reel/Frame 2966/0449 on October 28, 2004, which was entered into pursuant to a Credit Agreement (as defined in the 2004 Trademark Security Agreement) between the Bank and Grantor, and under which Grantor granted to Bank a security interest in and to certain collateral;

WHEREAS, the 2004 Trademark Security Agreement amended and restated two Trademark Security Agreements dated April 27, 1999 (the “1999 Trademark Security Agreements”), recorded with the USPTO on July 7, 1999 at Reel/Frame 1925/0267 and on April 29, 1999 at Reel/Frame 1894/0823, and a Trademark Security Agreement dated March 14, 2003 (the “2003 Trademark Security Agreement”);

WHEREAS, also on April 27, 1999, a Termination of 1993 Security Agreement (the “1999 Termination”) was entered into between the predecessors in interest to Grantor and Bank, terminating a Trademark Collateral Assignment and Security Agreement executed January 27, 1993 (the “1993 Trademark Collateral Assignment”) and recorded with the USPTO on June 28, 1993 at Reel/Frame 0998/0036;

WHEREAS, an Amendment No. 1 to the Collateral Assignment, dated December 31, 1993 (the “1993 Amendment”), was recorded with the USPTO on March 11, 1994 at Reel/Frame 1119/0389;

WHEREAS, the 1999 Termination was recorded with the USPTO on July 7, 1999 at Reel/Frame 1925/0576 with respect to the registrations covered by the 1993 Collateral Assignment, but not against the registrations covered by the 1993 Amendment, which was not referenced in the 1999 Termination.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Agent hereby agrees as follows:

1. Release. The Bank without representation or warranty of any kind, hereby releases, discharges, terminates and cancels (to the extent not previously released, discharged, terminated and cancelled), all of its security interest in and to the collateral arising under the 1993 Collateral Assignment, including the 1993 Amendment, the 1999 Trademark Security Agreements, the 2003 Trademark Security Agreement, and the 2004 Trademark Security Agreement, including any amendments thereto and restatements thereof (collectively the “Trademark Security Agreements”), including the trademark registrations and applications set forth in Exhibit A attached hereto (collectively the “Trademark Collateral”). If and to the extent that the Bank has acquired any right, title or interest in and to the Trademark Collateral under the Trademark Security Agreements, the Bank, without representation or warranty of any kind, hereby re-transfers, re-conveys and re-assigns such right, title or interest to the Grantor.

3. Termination. The Bank, without representation or warranty of any kind, terminates and cancels the Trademark Security Agreements.

4. Further Assurances. The Bank agrees to take all further actions, and provide to the Grantor and its successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by the Grantor, at the Grantor's sole cost and expense, to more fully and effectively effectuate the purposes of this Release.

5. Governing Law. This Release shall be governed exclusively under the laws of the State of Missouri, without regard to conflicts of law or choice of law principles.

IN WITNESS WHEREOF, the Bank has caused this Release to be executed by its duly authorized representative as of the Effective Date:
