TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and delivered as of August ____, 2020 (the "Effective Date") by La Mar Lighting Co., Inc., a New York corporation (the "Assignor"), for the benefit of Autronic Plastics, Inc., a New York corporation (the "Assignee").

WHEREAS, the Assignor has agreed to sell, convey, transfer, assign, and deliver to the Assignee, among other things, all of the Assignor's right, title and interest in and to the trademarks, service marks, and registrations and applications therefor that are set forth on the attached Schedule A hereto, together with the goodwill of the business associated therewith (collectively, the "Marks") (and, with respect to any intent-to-use trademark application included in the Marks, the business to which such trademark application pertains, which business is ongoing and existing).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. The Assignor hereby irrevocably assigns to the Assignee: (i) all of the Assignor's right, title, and interest in and to the Marks (including without limitation, all common-law trademark rights in the Marks) and any derivatives thereof, together with the goodwill associated therewith; and (ii) any and all legal actions and rights and remedies at law or in equity for past, current and future infringements, misappropriations, or other violations of the Marks, including the right to sue for, collect, and retain all damages, profits, proceeds, attorneys' fees and all other remedies associated therewith, together with the right to file for and own any and all new registrations, renewals and extensions of the registrations of the Marks, in any jurisdiction throughout the world. Upon request of Assignee, the Assignor agrees to execute and deliver to the Assignee and/or any person designated by the Assignee any and all additional documents and instruments that may be required to record and perfect the rights granted herein.

2. Assignor hereby represents and warrants to Assignee that up through the Effective Date of this Assignment, Assignor was and has been the sole owner of and has had good and marketable title to the Marks, and has conveyed the Marks to Assignee free and clear of any pledges, security interests, liens, claims, interests and encumbrances of any kind or nature, and has conveyed the entire and exclusive rights to the Marks without any reservation of rights in Assignor or in any of Assignor's Members, including Jeffrey Goldstein and Barry Kugel, and any of Assignor's officers, directors, employees and shareholders (past and present) to use the Marks in any fashion whatsoever. Assignor hereby covenants and agrees to defend, indemnify and hold harmless the Assignee, its successors, assigns, and shareholder(s), from any costs, expenses, claims, suits, demands, liability or damages arising out of any claim asserted by others challenging or adverse to the right, title or interest of Assignee, its successors and assigns in and to the Marks, and Assignor has received no notice of adverse claims or infringements upon the rights of third parties. Assignor further represents that all rights of Assignor in and to the Marks and any derivatives thereof are and were transferable as contemplated herein without any further required consent or other approval, or the necessary consent or approval has been obtained. The Assignor is not subject to any judgment, order, writ, injunction, or decree of any court or any federal, state, local, or other governmental department, commission, board, bureau, agency, or

instrumentality, domestic or foreign, or any arbitrator, and has not entered into or is a party to any contract, which restricts or impairs the use by Assignee of the Marks.

3. The Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any other official throughout the world whose duty is to register and record ownership in trademark registrations and applications for registration of trademarks, to record the Assignee as the assignee and owner of any and all of the Assignor's rights in the Marks.

4. All of the terms and provisions of this Assignment shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

5. No provision of this Assignment is intended to confer upon any person or entity, other than the parties hereto and their respective successors and assigns, any rights or remedies hereunder.

6. From time to time following the date hereof, and without any further consideration or other payment, Assignor shall execute and deliver such other instruments of conveyance, assignment, transfer, and delivery and execute and deliver such other documents and take or cause to be taken such other actions as Assignee reasonably may request in order to consummate, complete and carry out the transactions contemplated by this Agreement.

7. This Assignment shall be construed, performed and enforced in accordance with, and governed by, the laws of the State of New York, without giving effect to the principles of conflicts of laws thereof.
