## TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this “*Trademark Security Agreement*”), dated as of April 14, 2021, is made by DODGE DATA & ANALYTICS LLC (the “*Grantor*”), in favor of OWL ROCK CAPITAL CORPORATION, as collateral agent (in such capacity, the “*Collateral Agent*”) for the Secured Parties pursuant to that certain Credit Agreement, dated as of April 14, 2021, among the Grantor, as the Borrower, SKYLINE DATA, NEWS AND ANALYTICS LLC (“*Holdings*”), the Lenders from time to time party thereto, the Issuing Banks from time to time party thereto, OWL ROCK CAPITAL CORPORATION, as administrative agent and the Collateral Agent (as amended, amended and restated, supplemented, restructured or otherwise modified, renewed or replaced from time to time, the “*Credit Agreement*”). Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Credit Agreement or the Guarantee and Collateral Agreement (as defined below), as applicable.

### RECITALS

A. Pursuant to the Credit Agreement, the Lenders and the Issuing Banks have agreed to extend credit to the Borrower in the amounts and manner set forth in the Credit Agreement. The Lenders and the Issuing Banks are willing to extend such credit only upon the condition, among others, that the Grantor grant to Lenders a security interest in certain Copyrights, Trademarks and Patents constituting Intellectual Property Collateral to secure the Secured Obligations.

B. Pursuant to the terms of that certain Guarantee and Collateral Agreement, dated as of April 14, 2021, among the Borrower, Holdings, the Collateral Agent and the other Subsidiaries of the Borrower from time to time party thereto (as amended, amended and restated, supplemented, restructured or otherwise modified from time to time, the “*Guarantee and Collateral Agreement*”), the Grantor has granted to the Collateral Agent a security interest in all of the Grantor’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral (as defined in the Guarantee and Collateral Agreement).

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of the Obligations, the Grantor hereby represents, warrants, covenants and agrees as follows:

### AGREEMENT

To secure its obligations under the Credit Agreement and the other Loan Documents, the Grantor hereby grants and pledges to the Collateral Agent a security interest in all of the Grantor’s right, title and interest in, to and under its Intellectual Property Collateral, including the Trademarks listed on Schedules A hereto.

This security interest is granted in conjunction with the security interest granted to the Collateral Agent for its benefit and the benefit of the other Secured Parties under the Guarantee and Collateral Agreement. The rights and remedies of the Secured Parties with respect to the

security interest granted hereby are in addition to those set forth in the Credit Agreement, the Guarantee and Collateral Agreement and the other Loan Documents, and those which are now or hereafter available to the Secured Parties as a matter of law or equity. Each right, power and remedy of the Secured Parties provided for herein or in the Credit Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by any Secured Party of any one or more of the rights, powers or remedies provided for in this Trademark Security Agreement, the Credit Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, and shall not preclude the simultaneous or later exercise by any person, including the Secured Parties, of any or all other rights, powers or remedies.

The Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable governmental officer record this Trademark Security Agreement.

No amendment or modification of this Trademark Security Agreement or waiver of any right hereunder shall be binding on any party hereto unless it is in writing and is signed by all of the parties hereto.

This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery of an executed signature page to this Trademark Security Agreement by facsimile transmission or other electronic transmission (including by facsimile or electronic transmission (including .pdf file, .jpeg file, Adobe Sign, or DocuSign)) shall be as effective as delivery of a manually signed counterpart of this Trademark Security Agreement.

THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO CONFLICTS OF LAW PRINCIPLES.

*[Signature pages follow]*

IN WITNESS WHEREOF, each of the parties hereto has caused this Trademark Security Agreement to be duly executed and delivered by its officers or managers thereunto duly authorized as of the date first above written.
