TRADEMARK SECURITY AGREEMENT, dated as of March 19, 2021 (this “Agreement”), among ATLANTIC DIVING SUPPLY, INC., a Virginia corporation (the “Grantor”), and JPMORGAN CHASE BANK, N.A., as Collateral Agent for the benefit of the Secured Parties (in such capacity, together with its successors and assigns in such capacity, the “Collateral Agent”).

Reference is made to (a) the Amended and Restated Term Loan Credit Agreement, dated as of March 19, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among ADS TACTICAL, INC., a Delaware corporation (the “Borrower”), and the Lenders from time to time party thereto and JPMORGAN CHASE BANK, N.A., as the Administrative Agent and Collateral Agent, and (b) the Amended and Restated Collateral Agreement, dated as of March 19, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among the Borrower, the other Grantors from time to time party thereto and the Collateral Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The Grantor is an Affiliate of the Borrower and is willing to execute and deliver this Agreement in order to induce the Lenders to make additional Loans and as consideration for Loans previously made. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement. For purposes of this Agreement, “Trademarks” shall mean, with respect to any Grantor, all of the following now owned or hereafter acquired by such Grantor: (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, slogans and other source identifiers, in each case whether statutory or common law, whether registered or unregistered, and whether established or registered in the United States or any other country or jurisdiction, including all goodwill associated therewith or symbolized thereby, (b) all registrations thereof, and all registrations and applications filed in connection therewith, including in the United States Patent and Trademark Office, (c) all extensions and renewals thereof, (d) all rights to sue or otherwise recover for any past, present and future infringement, dilution, or other violation or impairment thereof, (e) the right to receive all Proceeds therefrom, including without limitation license fees, royalties, income payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect thereto and (f) all other rights, priorities, and privileges accruing thereunder or pertaining thereto throughout the world.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest in, to and under any and all of the following assets and property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest, regardless of where located (collectively, the “Trademark Collateral”):

(a) all Trademarks of such Grantor, including those listed on Schedule I attached hereto; and

(b) to the extent not covered by clause (a), all Proceeds and products of any and all of the foregoing and all Supporting Obligations, collateral security and guarantees given by any Person with respect to any of the foregoing.

Notwithstanding anything herein to the contrary, the Trademark Collateral shall not include, and in no event shall the security interest granted pursuant to this Agreement attach to, (i) any intent-to-use Trademark applications filed in the United States Patent and Trademark Office, pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. Section 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or the filing of an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law or (ii) any other Excluded Asset.

SECTION 3. Recordation. Each Grantor hereby authorizes and requests that the Commissioner of Patents and Trademarks record this Agreement.

SECTION 4. Collateral Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the Security Interest granted to the Collateral Agent pursuant to the Collateral Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

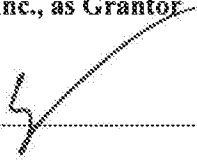

SECTION 5. Termination. Subject to Section 5.13 of the Collateral Agreement, upon the full performance of the Secured Obligations (other than (A) indemnity and expense reimbursement obligations under the Loan Documents that are not then due and payable or for which any events or claims that would give rise thereto are not pending and (B) Secured Swap Obligations and Secured Cash Management Obligations), the security interest granted herein shall automatically terminate and the Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Agreement.

SECTION 6. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission (including by .PDF) shall be effective as delivery of a manually signed counterpart of this Agreement.

**SECTION 7. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of New York.**

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
