## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this “Trademark Assignment”), effective as of June 5, 2020 (the “Effective Date”), is entered into by and between Dura Operating, LLC, Dura Automotive Holding GmbH & Co. KG, and Dura Automotive Systems GMBH (each, an “Assignor” and together, “Assignors”) and DUS Operating Inc., a Delaware corporation (“Assignee”). Assignors and Assignee are each referred to individually as a “Party” and together as the “Parties.”

WHEREAS, Assignors are the sole and exclusive beneficial and record owners of the trademarks and trademark registrations set forth on Schedule A attached hereto; and

WHEREAS, Assignors or certain of their affiliates and Assignee or certain of its affiliates have entered into that certain Stock and Asset Purchase Agreement dated as of April 29, 2020 (as it may be amended, supplemented or modified from time to time, the “NA Purchase Agreement”), under which, among other things, Assignors have agreed to assign to Assignee all of Assignors’ right, title and interest in, to and under the trade names, trademarks and service marks, business names, corporate names, domain names, trade dress, logos, slogans, design rights, and other similar designations of source or origin owned, held for use in, or registered or applied to be registered in Canada, the United States or Mexico and relating primarily to the Business (as defined in the NA Purchase Agreement), including without limitation those set forth in Schedule A (the “NA Marks”), as well as the goodwill associated therewith and symbolized thereby;

NOW, THEREFORE, in consideration of the mutual covenants, conditions, and agreements set forth herein and in the NA Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignment. Assignors hereby assign, transfer, and convey to Assignee in perpetuity, and Assignee hereby accepts, any and all right, title, and interest, including all statutory and common law rights, in the United States and throughout the world, whether now or hereafter existing, in and to the NA Marks, together with all goodwill of Assignors associated with, and symbolized by, the NA Marks. As part of such assignment, Assignors assign, transfer, and convey to Assignee, for Assignee’s own use and enjoyment and for the use and enjoyment of Assignee’s successors, assigns, and other legal representatives, the following:

(a) all applications, registrations, and issuances included within the NA Marks, and all extensions and renewals of the NA Marks;

(b) the right to prosecute, maintain and defend the NA Marks before any public or private agency, office or registrar, including by filing extensions and all other applications relating to the NA Marks;

(c) the right, if any, to claim priority based on the filing dates of any of the NA Marks under the Paris Convention for the Protection of Industrial Property and all other treaties of like purposes;

(d) the right to sue and recover damages or other compensation for past, present or future infringement, claims of unfair competition, likelihood of confusion or dilution or any other claim or cause of action related to the NA Marks, and the right to sue and obtain equitable relief, including injunctive relief, in respect of any such claim or cause of action; and

(e) all rights to collect royalties and other payments under or on account of any of the NA Marks.

2. Recordation. Assignors hereby authorize the Commissioner for Trademarks in the United States Patent and Trademark Office, other empowered officials of the United States Patent and Trademark Office, and the officials of corresponding entities or agencies in any applicable jurisdictions to (a) record Assignee as the assignee and owner of the entire interest in the NA Marks or other rights identified in this Trademark Assignment; (b) deliver to Assignee, and to Assignee's attorneys, agents, successors, or assigns, all official documents and communications as may be warranted by this Trademark Assignment; and (c) issue any and all registrations, certificates, or other governmental grants or issuances that may be granted upon any of the NA Marks or other rights identified in this Trademark Assignment in the name of Assignee, as the assignee to the entire interest therein. Assignee shall bear all of the costs and expenses related to such recordation.

3. Further Assurances. At any time after the date hereof, Assignors shall use commercially reasonable efforts to (a) execute and deliver such other instruments of sale, transfer, conveyance, assignment, assumption and confirmation, and (b) take such other actions as Assignee may reasonably request, in each case of clauses (a) and (b) that are necessary or desirable for obtaining, sustaining or reissuing any registrations for the NA Marks and transferring, conveying, assigning, and delivering to Assignee the title in and to the NA Marks, all at Assignee's sole cost and expense.

4. Purchase Agreement. Nothing herein shall be deemed to extend or amplify the rights, remedies, duties, or obligations of Assignee or Assignors under the NA Purchase Agreement and, to the extent that there is any conflict between the terms and conditions of this Trademark Assignment and the terms and conditions of the NA Purchase Agreement, the terms and conditions of the NA Purchase Agreement shall govern, supersede, and prevail. Except as otherwise provided herein, all capitalized terms used and not defined herein (including the recitals hereto) shall have the respective meanings assigned to such terms in the NA Purchase Agreement.

5. Counterparts. This Trademark Assignment may be executed in multiple original, PDF or facsimile counterparts, each of which shall be deemed an original, and all of which taken together shall be considered one and the same agreement. Delivery of an executed counterpart of this Trademark Assignment by facsimile transmission or by electronic mail in portable document format (.pdf) shall be as effective as delivery of a manually executed counterpart hereof.

6. Governing Law. The interpretation and construction of this Trademark Assignment, and all matters relating to this Trademark Assignment, will be governed by

the laws of the State of New York without giving effect to any conflict of law provisions thereof.

7. Headings. The headings contained in this Assignment are intended solely for convenience and shall not affect the rights of the parties to this Assignment.

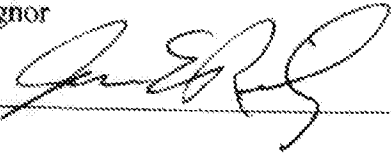

8. Amendments. This Trademark Assignment shall not be amended except by an instrument in writing signed on behalf of each of the parties.

9. Successors and Assigns. This Trademark Assignment is executed by, shall be binding upon, and shall inure to the benefit of, the Parties hereto and their respective successors and assigns for the uses and purposes set forth above.
