TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, restated, modified or supplemented and in effect from time to time, this “Agreement,” or “Trademark Security Agreement”) is made this 30th day of March, 2021, by and between HISTORIC TOURS OF AMERICA, INC., a Florida corporation (the “Grantor”), and EAGLEBANK, a Maryland chartered banking corporation (“EagleBank”).

W I T N E S S E T H:

WHEREAS, the Grantor and EagleBank have entered into that certain Main Street Lending Priority Loan Program Agreement dated December 9, 2020 (as from time to time amended, restated, supplemented or otherwise modified, the “Loan Agreement”);

WHEREAS, this Agreement is executed and delivered pursuant to the requirements of the Loan Agreement;

WHEREAS, Grantor and EagleBank have entered into that certain Security Agreement dated December 9, 2020, pursuant to which Grantor has assigned and granted to EagleBank a continuing security interest in all or substantially all of the assets and properties of Grantor whether now or hereafter existing or acquired, including the Trademark Collateral.

NOW, THEREFORE, in consideration of the foregoing and as an inducement to EagleBank to enter into the Loan Agreement and extend credit to the Grantor, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Loan Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. The Grantor hereby unconditionally grants, assigns, and pledges to EagleBank to secure the Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the “Security Interest”) in all of such Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the “Trademark Collateral”):

(a) all of its trademarks, domain names, trade dress, slogans, trade names, business names, corporate names and other source identifiers, whether registered and unregistered, together with all registrations and applications for registration for any trademarks, together with all extensions and renewals thereof, excluding only United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant, attachment, or enforcement of a security interest therein would, under applicable federal law, impair the registrability of such applications or the validity or enforceability of registrations issuing from such applications, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto; and any licenses or other similar rights provided to the Grantor in or with respect to Intellectual Property owned or controlled by any other person, and any licenses or other similar rights provided to any other person in or with respect to Intellectual Property owned or controlled by the Grantor, in each case, including any software license agreements (other than license agreements for commercially available off-the-shelf software that is generally available to the public which have been licensed to the Grantor pursuant to end-user licenses), and the right to use any of the licenses or other similar rights described in this definition in connection with the enforcement of EagleBank’s rights under the Loan Documents (the “Intellectual Property Licenses”), including those referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by each trademark and each Intellectual Property License; and

(c) all products and proceeds (as that term is defined in the UCC) of the foregoing, including any claim by the Grantor against third parties for past, present or future (i) infringement or dilution, misappropriation, violation, misuse, breach, or default of any trademark or any trademark exclusively licensed under any Intellectual Property License, including the right, but not obligation, to sue for such legal and equitable relief and to receive any damages, (ii) injury to the goodwill associated with any trademark, or (iii) right to receive license fees, royalties, income, payments, and other compensation under any Intellectual Property License.

3. REPRESENTATION. The Grantor hereby represents that (i) Schedule I is a list of all domestic and foreign registered trademarks, trademark registrations, service mark registrations, tradenames, domain name and URLs, or applications therefor, owned, licensed or otherwise used by each Loan Party, whether individually or jointly with others, (ii) all registered trademarks listed therein have been registered with the U.S. Patent and Trademark Office, and Historic Tours of America, Inc. is the registered owner of each such trademark, (iii) all pending trademark applications listed therein have been filed with the U.S. Patent and Trademark Office, and Historic Tours of America, Inc. is the applicant for each, and (iv) Schedule II is a list of all domain names to the extent any such domain name is not otherwise a trademark or application therefor, owned, licensed or otherwise used by each Loan Party, whether individually or jointly with others.

4. NO TRANSFER OF GRANTOR'S RIGHTS. Except to the extent expressly permitted in the Security Agreement or in the Loan Agreement, as applicable, the Grantor agrees not to sell, license, exchange, assign, or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber, any of the Trademark Collateral.

5. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Obligations, whether now existing or arising hereafter.

6. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to EagleBank pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of EagleBank with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

7. AUTHORIZATION TO SUPPLEMENT. If the Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantor shall give prompt notice in writing to EagleBank with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantors' obligations under this Section, Grantor hereby authorizes EagleBank unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of the Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from EagleBank's continuing security interest in all Collateral, whether or not listed on Schedule I.

8. RECORDATION. The Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government office record this Trademark Security Agreement.

9. COUNTERPARTS. This Trademark Security Agreement is a Loan Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

10. GOVERNING LAW AND JURISDICTION AND JURY TRIAL WAIVER. THIS TRADEMARK SECURITY AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE, OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF, OR RELATING TO THIS TRADEMARK SECURITY AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE SUBJECT TO THE PROVISIONS REGARDING GOVERNING LAW AND JURISDICTION AND JURY TRIAL WAIVER SET FORTH IN SECTION 8 OF THE SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.
