TRADEMARK COLLATERAL AGREEMENT

This 19th day of March, 2021, LinkMedia 360, LLC, an Ohio Limited liability company (“*Grantor*”) with its principal place of business and mailing address at 2 Summit Park Drive, Suite 630, Independence, OH 64114, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, collaterally assigns, mortgages and pledges to BMO HARRIS BANK N.A. (“*BMO*”), with its mailing address at 111 West Monroe Street, Chicago, Illinois 60603, acting as administrative agent hereunder for the Secured Parties as defined in the Security Agreement referred to below, and its successors and assigns (BMO acting as such administrative agent and any successor(s) or assign(s) to BMO acting in such capacity being hereinafter referred to as the “*Agent*”), and grants to the Agent for the benefit of the Secured Parties, a continuing security interest in the following property:

(i) Each trademark, trademark registration, and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration, and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by Grantor against third parties for damages by reason of past, present or future infringement of any trademark, trademark registration, or trademark application listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration, or trademark application, in each case together with the right to sue for and collect said damages;

to secure the payment and performance of all Guaranteed Obligations (as defined in the Security Agreement) of Grantor as set out in that certain Security Agreement dated as of November 19, 2018, among Grantor, the other “Grantors” party thereto and Agent, as the same may be amended, supplemented, modified, or restated from time to time (the “*Security Agreement*”).

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Agent of any applications by Grantor for a trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as “*Intent-to-Use Applications*”), but rather, if and so long as Grantor’s Intent-to-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Agent on such Intent-to-Use Application as collateral security for the Guaranteed Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Trademark Collateral Agreement.

Grantor does hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the collateral assignment, mortgage, pledge and security interest in the trademarks, trademark registrations, and trademark applications made and granted hereby are more fully set

forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.
