Trademark Security Agreement

Trademark Security Agreement (this "Trademark Security Agreement"), dated as of April 28, 2021, by R. R. DONNELLEY & SONS COMPANY, NIES/ARTCRAFT, INC., PBM GRAPHICS, INC. and CONSOLIDATED GRAPHICS, INC., (individually, a "Pledgor", and, collectively, the "Pledgors"), in favor of U.S. BANK NATIONAL ASSOCIATION, in its capacity as notes collateral agent pursuant to the Indenture (in such capacity, the "Notes Collateral Agent").

WITNESSETH:

WHEREAS, the Pledgors are party to a Notes Security Agreement (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), dated as of April 28, 2021, made by R. R. DONNELLEY & SONS COMPANY, a Delaware corporation (the "Issuer"), the Guarantors party thereto in favor of the Notes Collateral Agent pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Notes Collateral Agent, for the benefit of the Secured Parties, to enter into the Indenture, the Pledgors hereby agree with the Notes Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement. For purposes of this Trademark Security Agreement, "Trademarks" shall mean, collectively, all trademarks (including service marks), slogans, logos, certification marks, trade dress, uniform resource locators (URLs), domain names, corporate names, brand names, and trade names, whether registered or unregistered, and all registrations and applications for the foregoing (whether statutory or common law and whether established, applied for or registered in the United States or any other country or any political subdivision thereof), together with any and all (i) goodwill associated with the foregoing, (ii) rights and privileges arising under applicable law with respect to any of the foregoing, (iii) extensions and renewals thereof and amendments thereto, (iv) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or violations thereof, (v) rights corresponding thereto throughout the world and (vi) rights to sue for past, present and future infringements, dilutions or violations thereof.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Pledgor hereby pledges and grants to the Notes Collateral Agent for the benefit of the Secured Parties a lien on and security interest in all of the right, title and interest of such Pledgor in, to and under all the following property, in all cases wherever located, whether now existing or hereafter arising or acquired from time to time (collectively, the "Trademark Collateral"):

- (a) all Trademarks of such Pledgor, including those listed on Schedule I attached hereto; and
- (b) all Proceeds of any and all of the foregoing.

Notwithstanding anything to the contrary contained in clauses (a) or (b) above, the security interest created by this Trademark Security Agreement shall not extend to any Excluded Property, including any United States trademark or service mark application filed on the basis of any Pledgor's intent-to-use such mark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing and acceptance by the U.S. Patent and Trademark Office of a verified "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Notes Collateral Agent pursuant to the Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Notes Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Notes Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the payment in full of the Obligations and termination of the Security Agreement, this Trademark Security Agreement shall terminate, and the Notes Collateral Agent shall execute, acknowledge, and deliver to the Pledgors an instrument in writing in recordable form releasing the lien and security interest in the Trademark Collateral granted under this Trademark Security Agreement.

SECTION 5. Intercreditor Agreements Govern. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Notes Collateral Agent pursuant to this Trademark Security Agreement and the exercise of any right or remedy in respect of the Trademark Collateral by the Notes Collateral Agent (or any Secured Party) hereunder are subject to the provisions of the Intercreditor Agreements and in the event of any conflict between the terms of the Intercreditor Agreements and this Trademark Security Agreement, the terms of the Intercreditor Agreements shall govern and control with respect to the exercise of any such right or remedy.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Any signature to this Trademark Security Agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. Each of the parties represents and warrants to the other parties that it has the corporate or other capacity and authority to execute this Trademark Security Agreement through electronic means and there are no restrictions for doing so in that party's constitutive documents.

SECTION 7. Governing Law. This Trademark Security Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Trademark

Security Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

[signature page follows]

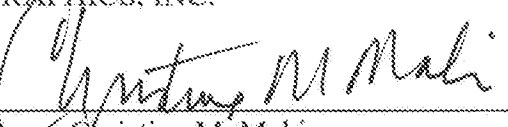

IN WITNESS WHEREOF, the Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

R. R. DONNELLEY & SONS COMPANY
