GRANT OF SECURITY INTEREST
IN TRADEMARKS

April 30, 2021

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, the undersigned (each a “Grantor” and collectively, the “Grantors”), hereby grant to PLC AGENT LLC, as Agent for its own benefit and the benefit of the other Credit Parties (as defined in the Security Agreement referred to below), having an office at 18 Shipyard Drive, Hingham, Massachusetts 02043 (the “Grantee”), a continuing security interest in the following: (i) all of each Grantor’s right, title and interest in, to and under the trademarks, service marks, trademark registrations, service mark registrations, trademark applications, and service mark applications set forth on Schedule A attached hereto (the foregoing, collectively, the “Marks”), (ii) all Proceeds (as such term is defined in the Security Agreement referred to below) and products of the Marks, (iii) the goodwill of the businesses with which the Marks are associated, and (iv) all causes of action arising prior to or after the date hereof for infringement of any of the Marks or unfair competition regarding the same; provided however that this shall not include any Marks that are included in clause (b) of the definition of “Excluded Property” (as defined in the Security Agreement referred to below); provided further that such “intent-to-use trademark” applications shall remain Excluded Property only until a statement of use or amendment to allege use is filed and accepted by the United States Patent and Trademark Office or any other filing is made or circumstances otherwise change so that the interest of the applicable Grantor in such Marks is no longer on an “intent-to-use” basis.

THIS GRANT OF SECURITY INTEREST IN TRADEMARKS (this “Grant”) is made to secure the satisfactory performance and payment of all the Secured Obligations of the Grantors, as such term is defined in the Security Agreement by, among others, the Grantors, the other Grantors party thereto (as defined therein), and the Grantee, dated as of the date hereof (as amended, modified, supplemented or restated hereafter, the “Security Agreement”).

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

This Grant and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of, or relating to this Grant and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.
