**INTELLECTUAL PROPERTY
ASSIGNMENT AND ASSUMPTION AGREEMENT**

This Intellectual Property Assignment and Assumption Agreement (this "Assignment"), dated as of September 14, 2020 and made effective as of September 11, 2020 (the "Effective Date"), is by and between NOVA Chemicals Inc., a Delaware corporation ("NOVA"), and BVPV Styrenics LLC, a Delaware limited liability company (the "Company").

RECITALS

WHEREAS, the Company is a direct wholly owned subsidiary of NOVA;

WHEREAS, it is proposed that NOVA transfer the Intellectual Property (as defined below) to the Company; and

WHEREAS, NOVA and the Company have agreed to enter into this Assignment to provide for (a) NOVA's assignment, transfer, conveyance and delivery to the Company of all of its right, title and interest in and to the Intellectual Property which comprises all of the Intellectual Property used by NOVA in connection with the manufacture and sale of (i) expandable polystyrene and (ii) moldable foam resin containing expandable polystyrene and polyethylene components, and (b) the Company's acceptance of such assignment, transfer, conveyance and delivery.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein, the sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Assignment. NOVA hereby irrevocably and unconditionally conveys, transfers, assigns and delivers to the Company all of NOVA's right, title and interest in, to and under the following (collectively, the "Intellectual Property"), together with all rights and benefits attached thereto:

(a) the patents and patent applications set forth on Annex A hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and renewals thereof;

(b) the trademark registrations and applications set forth on Annex B hereto and all issuances, extensions, and renewals thereof (the "Trademarks"), together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks;

(c) the copyright registrations and applications for registration set forth on Annex C hereto and all issuances, extensions, and renewals thereof;

(d) all rights of any kind whatsoever of NOVA accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(e) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(f) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but not the obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Acceptance and Assumption. The Company hereby irrevocably and unconditionally (a) accepts the conveyance, transfer, assignment and delivery of, all of NOVA's right, title and interest in, to and under the Intellectual Property and (b) assumes from NOVA, and agrees to pay, perform and discharge when due, and shall be liable with respect to, all of the rights, obligations and liabilities associated with the Intellectual Property, whether arising before, on or after the Effective Date.

3. Representations and Warranties of NOVA. NOVA represents and warrants that (a) it is a corporation, duly incorporated, validly existing and in good standing under the laws of the state of its incorporation and has all requisite power and authority to own, lease and operate its properties and to carry on its business as now being conducted; (b) it has the requisite power and authority to execute, deliver, and perform this Assignment and to consummate the transactions contemplated hereby; (c) the execution, delivery, and performance by NOVA of this Assignment and the consummation of the transactions contemplated hereby have been duly and validly authorized and approved by all necessary action of NOVA; (d) this Assignment is the legal, valid and binding obligation of NOVA and is enforceable against NOVA in accordance with its terms; and (e) the execution, delivery, and performance by NOVA of this Assignment and the consummation of the transactions contemplated hereby do not conflict with, or result in the breach of, any provision of its organizational or other governing documents.

4. Representations and Warranties of the Company. The Company represents and warrants that (a) it is a limited liability company, duly formed, validly existing and in good standing under the laws of the state of its formation and has all requisite power and authority to own, lease and operate its properties and to carry on its business as now being conducted; (b) it has the requisite power and authority to execute, deliver, and perform this Assignment and to consummate the transactions contemplated hereby; (c) the execution, delivery, and performance by the Company of this Assignment and the consummation of the transactions contemplated hereby have been duly and validly authorized and approved by all necessary action of the Company; (d) this Assignment is the legal, valid and binding obligation of the Company and enforceable against the Company in accordance with its terms; and (e) the execution, delivery, and performance by the Company of this Assignment and the consummation of the transactions contemplated hereby do not conflict with, or result in the breach of any provision of its organizational or other governing documents.

5. Indemnification. The Company shall indemnify, hold harmless, and defend NOVA, its affiliates (other than the Company) and their respective shareholders, directors, members, managers, officers, employees, agents, advisors, attorneys, accountants and consultants (collectively, "NOVA Indemnified Parties") against any and all claims, causes of action, payments, charges, judgments, assessments, liabilities, losses, damages, penalties, fines, costs and expenses (collectively, "Claims") arising out of or resulting from (i) any breach or inaccuracy of any representation or warranty of the Company contained in this Assignment, (ii) any failure of or breach by the Company to perform any of its covenants or other agreements contained in this Assignment or (iii) the rights, obligations and liabilities associated with the Intellectual Property, whether relating to the time period before or after the Effective Date.

6. Disclaimers; Limitations on Liability.

(a) The Company specifically acknowledges and agrees that except for NOVA's representations set forth in Section 3, none of NOVA, its affiliates (other than the Company) or any of their respective Representatives or any other person makes, or has made, any other express or implied representation or warranty with respect to the Intellectual Property.

(b) The Company specifically acknowledges and agrees to NOVA's express disavowal and disclaimer of any other representations or warranties, whether made by NOVA or any of its affiliates (other than the Company) or any of their respective Representatives or any other person, and of all liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to the Company or any of their Representatives or any

other person, including any representation or warranty as to the accuracy or completeness of any information regarding the Intellectual Property furnished or made available to the Company.

(c) The Company shall acquire the Intellectual Property assigned and assumed hereunder (i) without any representation or warranty, express or implied, as to the quality, merchantability, fitness for any particular purpose, or condition of the Intellectual Property and (ii) in an "as is" condition and on a "where is" basis.

(d) Notwithstanding anything to the contrary hereunder, and without limiting the disclaimers and waivers mutually agreed and set forth herein, the Company hereby waives to the fullest extent permitted under applicable law any and all Claims whether arising under or based upon any law, order or otherwise (including any right, whether arising at law or in equity, to seek indemnification, contribution, cost recovery, damages, or any other recourse or remedy, including as may arise under common law) that it may have against NOVA or any of the NOVA Indemnified Parties, regarding, arising from, or in respect of the rights, obligations and liabilities associated with the Intellectual Property being assumed by the Company hereunder, whether relating to the time period before or after the Effective Date.

7. Assignment. No assignment of this Assignment, or of any rights or delegation of any obligations under this Assignment, may be made, directly or indirectly (by operation of law or otherwise), by the Company without the prior written consent of NOVA. Any attempted assignment without obtaining such required written consent shall be null and void.

8. Further Assurances. Each party shall execute and deliver such documents and take such other actions as may be reasonably requested by the other party in order to carry out the provisions of this Assignment and make effective the transactions contemplated hereby.

9. Binding Effect. This Assignment shall inure to the benefit of and be binding upon the parties and their respective successors and permitted assigns. Except with respect to Section 5 of this Assignment, which shall be for the benefit of and be enforceable by each NOVA Indemnified Party, all of whom are intended as express third-party beneficiaries thereof, no other person other than the parties shall be entitled to the benefits of this Assignment.

10. Governing Law; Venue; Waiver of Jury Trial.

(a) This Assignment shall be governed by and construed in accordance with the law of the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws.

(b) Each of the parties hereby irrevocably and unconditionally (i) submits, for itself and its property, to the exclusive jurisdiction of any federal or state court located in Allegheny County, Commonwealth of Pennsylvania, and any appellate court from any thereof, in any Claim of any kind arising out of or relating to this Assignment or the negotiation, execution or performance hereof (including any Claims of any kind based upon, arising out of or related to any representation or warranty made in or in connection herewith), or for recognition or enforcement of any judgment, and agrees that all Claims shall be heard and determined in such federal or state court located in Allegheny County, Commonwealth of Pennsylvania, and any appellate court from any thereof, (ii) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any Claim arising out of or relating to this Assignment or the negotiation, execution or performance hereof (including any Claims of any kind based upon, arising out of or related to any representation or warranty made in or in connection herewith or therewith), or for recognition or enforcement of any judgment in the federal or state courts located in Allegheny County, Commonwealth of Pennsylvania, and any appellate court from any thereof, (iii) waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such Claim in any such court and (iv) agrees that a final judgment in any Claim shall be

conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) EACH OF THE PARTIES HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY CLAIM OF ANY KIND ARISING OUT OF OR RELATING TO THIS ASSIGNMENT OR THE NEGOTIATION, EXECUTION OR PERFORMANCE HEREOF (INCLUDING ANY CLAIMS OF ANY KIND BASED UPON, ARISING OUT OF OR RELATED TO ANY REPRESENTATION OR WARRANTY MADE IN OR IN CONNECTION HEREWITH).

11. Counterparts. This Assignment may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same instrument. Signed counterparts of this Assignment may be delivered by facsimile and by scanned .pdf image.
