INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of May 5, 2021 (as amended, restated, amended and restated, supplemented, replaced or otherwise modified from time to time, the "Intellectual Property Security Agreement"), is made by each of the signatories hereto (collectively, the "Grantors") in favor of BANK OF THE WEST, a California banking corporation, as Collateral Agent for the Secured Parties (in such capacity, the "Collateral Agent") (as such terms are defined in the Pledge and Security Agreement defined below).

RECITALS

WHEREAS, PACIFIC DENTAL SERVICES, LLC, a Delaware limited liability company (the "Borrower"), Pacific Dental Services Holding Company, Inc., a California corporation ("Holdings"), the various financial institutions from time to time party thereto (the "Lenders"), Bank of the West, as administrative agent for the Revolving Credit Lenders (in such capacity, the "Revolving Agent"), as collateral agent for the Secured Parties (in such capacity, the "Collateral Agent"), as issuing bank and as the swing line lender, and BNP Paribas, as administrative agent for the Term Loan Lenders (in such capacity, the "Term Loan Agent", and together with the Revolving Agent, each an "Administrative Agent" and, collectively, the "Administrative Agents"), have entered into that certain Credit Agreement, dated as of May 5, 2021 (as amended, restated, amended and restated, supplemented, replaced or otherwise modified from time to time, the "Credit Agreement").

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective extensions of credit to the Borrower under the Credit Agreement that the Grantors shall have executed and delivered that certain Pledge and Security Agreement, dated as of May 5, 2021, in favor of the Collateral Agent (as amended, restated, amended and restated, supplemented, replaced or otherwise modified from time to time, the "Pledge and Security Agreement"). Capitalized terms used and not defined herein have the meanings given such terms in the Pledge and Security Agreement.

WHEREAS, under the terms of the Pledge and Security Agreement, the Grantors have granted a security interest in certain property, including, without limitation, certain Intellectual Property of the Grantors to the Collateral Agent for the ratable benefit of the Secured Parties.

WHEREAS, the Grantors have agreed as a condition of the Pledge and Security Agreement to enter into this Intellectual Property Security Agreement on the terms set forth herein and to record this Intellectual Property Security Agreement with the United States Patent and Trademark Office, the United States Copyright Office, as applicable, and any other applicable Governmental Authorities.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

I. GRANT OF SECURITY.

Each Grantor hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties a security interest in and to all of such Grantor's right, title and interest in and to the following (the "Intellectual Property Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations:

A. All United States trademarks, trade names, trade styles, trade dress, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications to register any of the foregoing including, but not limited to: (i) the registrations and applications referred to in Exhibit A hereto (as such exhibit may be amended or supplemented from time to time), (ii) all rights to, and to obtain, any extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, (iv) the right to sue or otherwise recover for any and all past, present and future infringements, dilutions, and other violations of any of the foregoing or for any injury to goodwill, (v) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit, and (vi) all other rights of any kind whatsoever corresponding thereto throughout the world (collectively, the "Trademarks");

B. All United States patents, certificates of invention, and patentable inventions (whether or not reduced to practice) or similar industrial property rights, and applications for any of the foregoing, including, but not limited to: (i) each patent and patent application referred to in Exhibit A hereto (as such exhibit may be amended or supplemented from time to time), (ii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals, and reexaminations thereof, (iii) all inventions and improvements described therein, (iv) all rights to sue or otherwise recover for any past, present and future infringements or other violations thereof, (v) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit, and (vi) all other rights of any kind whatsoever corresponding thereto throughout the world (collectively, the "Patents");

C. All copyrights arising under the laws of the United States, whether registered or unregistered and whether or not the underlying works of authorship have been published, including, but not limited to, copyrights in software and databases, and all Mask Works (as defined under 17 U.S.C. 901 of the U.S. Copyright Act), all protectable designs, and all works of authorship and other intellectual property rights embodied therein, all copyrights of works based on, incorporated in, derived from or relating to works

covered by such copyrights, all right to make and exploit derivative works based on or adopted from works covered by such copyrights, and with respect to any and all of the foregoing: (i) all registrations and applications therefor including, without limitation, the registrations and applications referred to in Exhibit A hereto (as such exhibit may be amended or supplemented from time to time), (ii) the right to, and to obtain, all extensions and renewals thereof, (iii) all rights to sue, or otherwise recover, for any past, present, and future infringements and other violations thereof, (iv) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit, and (v) all other rights of any kind whatsoever corresponding thereto throughout the world ("Copyrights");

D. All trade secrets and all other confidential or proprietary information and know-how, whether or not such trade secret has been reduced to a writing or other tangible form, including, without limitation, manufacturing and production processes and techniques, inventions, research and development information, technical data, financial, marketing and business data, pricing and cost information, business and marketing plans, and customer and supplier lists and information, including, without limitation, (i) the right to sue or otherwise recover for any and all past, present and future infringements, misappropriations, and other violations thereof, (ii) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit, (iii) all other rights of any kind whatsoever accruing thereunder or pertaining thereto, and (iv) all documents and things embodying, incorporating, or referring in any way to such trade secret (collectively, the "Trade Secrets"); and

E. All licenses or agreements, whether written or oral, providing for the grant by or to any Grantor of: (i)(A) any right to use any Trademark or Trade Secret, (B) any right to manufacture, use, import, export, distribute, offer for sale or sell any invention covered in whole or in part by a Patent, and (C) any right under any Copyright including, without limitation, the grant of rights to manufacture, distribute, exploit and sell materials derived from any Copyright including, without limitation, any of the foregoing identified in Exhibit A, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto, and (v) any and all proceeds of the foregoing.

II. RECORDATION.

Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Intellectual Property Security Agreement.

III. EXECUTION IN COUNTERPARTS.

This Intellectual Property Security Agreement may be executed in any number of counterparts (including by facsimile or other electronic communication), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Intellectual Property Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, which shall be of the same legal effect, validity enforceability as a manually executed signature to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. Without limiting the generality of the foregoing, this Agreement may be executed and delivered by facsimile signature or other electronic or digital means (including, without limitation, Adobe's Portable Document Format ("PDF")). Any such signature shall be of the same force and effect as an original signature, it being the express intent of the parties to create a valid and legally enforceable contract between them. The exchange and delivery of this Intellectual Property and the related signature pages via facsimile or as an attachment to electronic mail (including in PDF) shall constitute effective execution and delivery by the parties and may be used by the parties for all purposes.

IV. GOVERNING LAW.

THIS INTELLECTUAL PROPERTY AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST).

V. CONFLICT PROVISION.

This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Pledge and Security Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Pledge and Security Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Pledge and Security Agreement or the Credit Agreement, the provisions of the Pledge and Security Agreement or the Credit Agreement shall govern.

[Remainder of this page intentionally left blank.]

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.
