TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement dated as of May 4, 2021 (this "Agreement") is made by and between SERVICE TRANSPORT COMPANY, a Texas corporation (the "Grantor"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, as administrative agent (the "Administrative Agent") for the ratable benefit of the Secured Parties (as defined in the Credit Agreement defined below). Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement (as defined below) and the Security Agreement (as defined below), as applicable.

Preliminary Statement

A. The Grantor is a party to that certain Credit Agreement, dated as of May 4, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Adams Resources & Energy, Inc., a Delaware corporation (the "Parent"), GulfMark Energy, Inc., a Texas corporation ("GulfMark"), and the Grantor (together with the Parent and GulfMark, the "Borrowers"), the lenders party thereto from time to time, and Wells Fargo Bank, National Association, as the administrative agent and as issuing lender.

B. It is a condition precedent to the effectiveness of the Credit Agreement and the other Loan Documents that the Grantor execute and deliver this Agreement.

C. It is in the best interest of the Grantor to execute this Agreement inasmuch as such Grantor will derive substantial direct and indirect benefits from (i) the transactions contemplated by the Credit Agreement, (ii) the Secured Hedge Agreements entered into by the Grantor, any other Borrower or any other Credit Party, and (iii) the Secured Cash Management Agreements entered into by the Grantor, any other Borrower or any other Credit Party, and the Grantor is willing to execute, deliver and perform its obligations under this Agreement to secure the Secured Obligations.

D. Pursuant to the terms of that certain Pledge and Security Agreement dated as of May 4, 2021 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement") among the Credit Parties party thereto from time to time in favor of the Administrative Agent for the ratable benefit of the Secured Parties, the Credit Parties have granted a security interest in the Collateral, including, without limitation, all right, title and interest of the Grantor in, to, and under all now owned and hereafter acquired Trademark Collateral (as defined below), set forth on Schedule I attached hereto, to secure the payment of all Secured Obligations.

Agreement

Section 1.1 NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured Parties a security interest in all its right, title, and interest in, to, and under the following, whether presently existing or hereafter created or acquired (the "Trademark Collateral"):

(a) (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, and all goodwill of the business associated therewith, now existing or hereafter adopted or acquired, including, without limitation, those trademarks referred to in Schedule I hereto, whether currently in use or not, all registrations and recordings thereof, and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings, and applications in the United States Patent and Trademark Office ("USPTO") or in any

office or agency of the United States of America, or any state thereof, or any other country or political subdivision thereof or otherwise, and all common-law rights relating to the foregoing, and (ii) the right to obtain all reissues, extensions, or renewals of the foregoing (collectively referred to as, the “Trademarks” and each, a “Trademark”);

(b) all Trademark licenses for the grant by or to the Grantor of any right to use any Trademark;

(c) all of the goodwill of the business connected with the use of, and symbolized by the items described in clause (a) and, to the extent applicable, clause (b);

(d) the right to sue third parties for past, present, or future infringements of any Trademark Collateral described in clause (a) and, to the extent applicable, clause (b); and

(e) all Proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present, or future infringement or dilution of any Trademark, Trademark registration, or Trademark license, or for any injury to the goodwill associated with the use of any such Trademark, or for breach or enforcement of any Trademark license and all rights corresponding thereto throughout the world.

Section 1.2 Notwithstanding anything to the contrary contained in Section 1.1 and other than to the extent set forth in this Section 1.2, the Excluded Trademark Collateral shall be excluded from the lien and security interest granted hereunder; provided, however, that (x) the exclusion from the Lien and security interest granted by the Grantor hereunder of any Excluded Trademark Collateral shall not limit, restrict or impair the grant by such Grantor of the Lien and security interest in any accounts or receivables arising under any such Excluded Trademark Collateral or any payments due or to become due thereunder, unless the conditions in effect which qualify such Property as Excluded Trademark Collateral applies with respect to such accounts and receivables and (y) any proceeds received by the Grantor from the sale, transfer, or other disposition of Excluded Trademark Collateral shall constitute Collateral, unless the conditions in effect which qualify such Property as Excluded Trademark Collateral applies with respect to such proceeds.

Section 1.3 This Agreement has been executed and delivered by the Grantor for the purpose of recording the security interest granted hereunder with the USPTO. This security interest is granted in conjunction with the security interests granted to the Administrative Agent for the ratable benefit of the Secured Parties pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of Secured Parties with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. This Agreement is a Loan Document. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement.

Section 1.4 THIS AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, ARBITRATION, AND JUDICIAL REFERENCE SET FORTH IN SECTIONS 7.13, 7.14 AND 7.15 OF THE SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.

Section 1.5 The Grantor authorizes and requests that the USPTO and any other applicable government officer record this Agreement.

[Remainder of this page intentionally left blank. Signature pages to follow.]

IN WITNESS WHEREOF, the Secured Party and the Grantor has caused this Agreement to be duly executed by its officer duly authorized as of the date first above written.
