TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment"), is made effective as of the 21st day of April, 2021, and between **CECO Environmental IP Inc.** a Delaware corporation with a principal place of business situated in Dallas, Texas ("Assignor") and **Effox-Flextor-Mader Inc.**, a Delaware Corporation, ("Assignee").

RECITALS

WHEREAS, Assignor represents that it owns the entire right, title and interest in, to and under the trademarks, together with the goodwill of the business symbolized by the trademarks which are identified and described in Exhibit A attached hereto. The marks are collectively referred to as the "Trademarks." Assignor's rights include all common law rights to the Trademarks and all registration rights conferred by the United States Trademark Office or other foreign national trademark offices. Assignor's rights further include the right to assign the Trademarks under the terms and conditions of this Assignment without violation of any contractual or legal obligations Assignor may have to any other party; and

NOW, THEREFORE, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties intending to be legally bound agree as follows:

Assignor does hereby sell, assign, transfer and deliver to Assignee, its successors, assigns and legal representatives, its full and exclusive right, title and interest in and to the Trademarks, together with the goodwill of the businesses symbolized by the Trademarks and associated therewith, and all other common law rights and applications and registrations of the Trademarks, and the right to recover for damages and profits for past infringements of the Trademarks identified in Exhibit A.

This assignment is hereby made without any warranties or representations of any kind whatsoever, including but not limited to, any representations or warranties concerning, accuracy, effectiveness, validity, enforceability, quality, profitability, condition, merchantability, fitness for any purpose, or any other aspects of the Assets, and the Assets shall be and are hereby assigned and transferred "as is," "where is" and "with all faults and defects".

This assignment shall be binding upon Assignor's successors, assigns and legal representatives, and shall inure to the benefit of Assignee, its successors, assigns and legal representative, as the case may be.

Assignor hereby agrees that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of Assignee or its successors, assigns or nominees to prosecute any applications or registrations, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in Assignee, its successors, assigns and legal representatives.

Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in Assignee, its successors, assigns and legal representatives.

Assignor covenant with Assignee, its successors, assigns, legal representatives, and nominees, that to the best of Assignor's knowledge the right, title and interest herein conveyed by Assignor are free and clear of any encumbrance, and that Assignor has the full right to convey the same as herein expressed.

This Assignment supersedes all other assignments, agreements and addendums related to the Trademarks.

Any dispute, controversy, proceedings or claim between the parties relating to this Assignment (including any non-contractual matters and obligations arising therefrom or associated therewith) shall be construed and enforced in accordance with the laws of the State of Texas, United States of America.

This Agreement may be executed in multiple counterparts, any one of which need not contain the signature of more than one party but all of which together shall constitute one agreement.
