ARTICLE IV REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer represents and warrants to Seller as follows:

Section 4.01 Organization and Authority. Buyer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and has full power and authority to execute, deliver and perform this Agreement and any other agreements or instruments to be executed and delivered by Buyer pursuant to this Agreement.

Section 4.02 Authorization and Enforceability. The execution and delivery by Buyer of this Agreement and any other agreements and instruments to be executed and delivered by Buyer pursuant to this Agreement and the performance by Buyer of the transactions contemplated by this Agreement and any such other agreements and instruments have been duly authorized by all necessary limited liability company actions and proceedings on the part of Buyer. This Agreement and each agreement and instrument to be executed and delivered by Buyer pursuant

to this Agreement is (or will be upon such execution and delivery) a legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with its terms, except to the extent that enforcement may be affected by laws relating to bankruptcy, reorganization, insolvency and or similar Laws affecting creditors' rights and by the availability of injunctive relief, specific performance and other equitable remedies.

Section 4.03 No Violation; Consents and Approvals. Buyer is not a party to any agreement or subject to any legal restriction that would prevent or restrain Buyer's ability to perform all of its obligations under this Agreement or any other agreement or instrument to be executed and delivered by Buyer pursuant to this Agreement. The execution, delivery and performance of this Agreement and any such other agreements or instruments by Buyer will not: (a) conflict with or violate the certificate of formation, limited liability company agreement or other constituent documents of Buyer, or (b) violate any Law to which Buyer or any of its property is subject. No authorization, consent or approval of any other Person (including, without limitation, any Governmental Entity) is necessary to permit Buyer to comply with its obligations under this Agreement or any other agreement or instrument to be executed and delivered by Buyer pursuant to this Agreement.

Section 4.04 Litigation. There are no (a) outstanding orders, awards, judgments, injunctions or decrees of any Governmental Entity against Buyer or any of its respective Affiliates or any of it or such Affiliates' respective assets or properties or (b) judicial actions, suits or claims, or legal, administrative or arbitration proceedings pending or, to Buyer's knowledge, threatened in writing, against Buyer or any of its respective Affiliates or any of its respective assets or properties, in each case, except as would not be reasonably likely to prohibit or restrict or delay the performance of this Agreement by Buyer.

Section 4.05 No Commissions. No commissions or brokers' or finders' fees are payable by, through or on account of any acts of Buyer or any of its representatives (or any officers or directors of Buyer) in connection with this Agreement or the transactions contemplated hereby.

Section 4.06 Buyer's Reliance. Buyer has conducted its own independent investigation, verification, review and analysis of the business, operations, assets, liabilities, results of operations, financial condition, technology and prospects of Seller and the Purchased Assets. Buyer acknowledges that Buyer and its Representatives have been permitted such access to the books and records, facilities, equipment, Tax Returns, contracts, insurance policies (or summaries thereof) and other properties and assets of Seller as it and its Representatives have desired or requested to see or review. In entering into this Agreement, Buyer acknowledges that it has relied solely upon the aforementioned investigation, review and analysis and the representations and warranties of Seller set forth in this Agreement and not on any factual representations or opinions of Seller or any of Seller's Representatives (except the representations and warranties of Seller set forth in this Agreement). Buyer acknowledges that, except as explicitly set forth in this Agreement, no Seller or any other Person has made any representation or warranty, expressed or implied, as to the accuracy or completeness of any information regarding Seller or the Purchased Assets furnished or made available to Buyer and its Representatives and no Seller or any other Person (including Catherine Mathews, as Trustee of the Trust, or any officer, director, manager, shareholder or member of SPI or IAPLLC) shall have or be subject to any liability to Buyer or any other Person resulting from the provision to

Buyer, or Buyer's use of, any such information, including the information, documents or material made available to Buyer in any "data rooms," management presentations, due diligence or in any other form in expectation of the transactions contemplated hereby. Buyer acknowledges that, should the Closing occur, Buyer shall acquire the Purchased Assets in an "as is" condition and on a "where is" basis, except as otherwise expressly represented or warranted in Article III. Buyer acknowledges that, except for the representations and warranties of Seller contained in this Agreement, no Seller or any other Person, has directly or indirectly made, and Buyer has not relied on, any other express or implied representation or warranty by or on behalf of Seller, including without limitation any representation or warranty regarding any pro forma financial information, financial projections or other forward-looking statements of Seller or pertaining to the Purchased Assets, and Buyer shall make no claim with respect thereto. This Section will not preclude any claim based on Fraud.

Section 4.07 Exclusivity of the Representations. The representations and warranties made by Buyer in Article IV of this Agreement are the exclusive representations and warranties made by Buyer. Buyer hereby disclaims any other express or implied representations or warranties.

Section 5.05 Standstill. From the date hereof until the Closing, Seller will not, directly or indirectly, solicit, initiate or encourage any inquiries or proposals from, discuss or negotiate with, provide any non-public information to, or approve or authorize any transaction with any Person that would be in substitution for or conflict with the transactions contemplated hereby.

Section 6.04 Notice of Termination; Effect of Termination. Any termination of this Agreement under Section 6.03 above shall be effective immediately upon the delivery of a valid written notice of the terminating party to the other party hereto. (b) Following the Closing, Seller shall have the sole and exclusive power and authority, at Seller's expense, to address matters involving Taxes which Seller is obligated to pay pursuant to Section 8.01(a) and, in recognition of such power and authority, Buyer shall not initiate any communication with, or provide any information to any Taxing Authority with respect to, Taxes of Seller for any period ending prior to the Closing and covered by Section 8.01(a), unless such Taxing Authority has expressly requested such information from Buyer and Buyer has timely notified Seller of such request and Seller has failed to respond to such request on a timely basis. If a Taxing Authority issues a summons or subpoena or other similar legal demand for information regarding the Purchased Assets with respect to Taxes of Seller for any period covered by Section 8.01(a), Buyer shall be permitted to comply with such summons, subpoena or other legal demand, but shall notify Seller reasonably in advance of such compliance taking into account the date of receipt of notice of such request by Buyer so as to permit Seller to reasonably object to and contest such compliance by Buyer.

Section 8.02 Further Assurances.

(a) Each party shall execute and deliver, or cause to be executed and delivered, all such other instruments and shall take all such other actions as the other party reasonably may request from time to time following the Closing in order to effectuate the transactions contemplated by the Agreement.

(b) Following the Closing, if Seller or the Trust receives any payments on account of the Receivables, or any other payments, assets or other items related to the Purchased Assets, which are part of the Purchased Assets (whether in Cash, Cash Equivalents or otherwise), Seller promptly shall (or use its commercially reasonable efforts to cause the Trust to) remit such payments, assets and items to Buyer. Seller hereby also authorizes Buyer following the Closing to endorse for deposit only in its name and collect for Buyer's account any checks received in payment of any accounts receivable included in the Purchased Assets, and any refunds of any deposits, prepaid expenses or similar amounts, which refunds are include in the Purchased Assets. Further, Seller shall notify and direct any and all parties that so remit any payment, asset or other item to Seller to remit any and all future payments, assets and other items to Buyer.

ARTICLE IX INDEMNIFICATION

Section 9.01 Survival of Representations and Warranties. The representations and warranties of the parties contained in this Agreement and the certificates delivered pursuant hereto shall survive the Closing and shall continue in full force and effect for twelve (12) months following the Closing Date at which time such representations and warranties shall expire automatically, except that, in the case of claims premised on Fraud or claims for breach of the representations and warranties contained in Sections 3.06 (Title to Purchased Assets) and 3.12

(Taxes), Buyer's right to assert such claims shall survive until the expiration of the applicable statute of limitations therefor (such dates, as applicable, the "Termination Date"). Notwithstanding the foregoing, any claim for indemnification under the preceding sentence as to which the Indemnifying Party shall have received due written notification from the Indemnified Party pursuant to Section 9.06 within the applicable time period set forth in the preceding sentence shall survive until mutually resolved or otherwise determined hereunder, as applicable, and the survival of such claim for all purposes hereunder shall automatically be extended until such claim is so mutually resolved or otherwise determined hereunder. All covenants and undertakings of the parties contained in this Agreement which by their terms are to be performed after the Closing Date (and any claims for breach or nonperformance thereof) shall survive until fully discharged.

Section 9.02 Indemnification by Seller. Seller shall indemnify, defend and hold Buyer and each of its Affiliates, directors, officers and employees (collectively, "Buyer Indemnified Parties") harmless from and against all Damages imposed upon or incurred by any of them arising out of or resulting from any of the following (and any actions, suits, proceedings and judgments incident thereto):

(a) the failure of Seller to duly and timely pay, discharge or perform when due, any liabilities or obligations of Seller not expressly assumed by Buyer pursuant to this Agreement, whether disclosed or undisclosed;

(b) any inaccuracy of a representation or breach of a warranty made by Seller in this Agreement; and

(c) the breach of any covenant, undertaking or other agreement made by Seller set forth in this Agreement.

provided, however, that Seller shall not have any obligation hereunder with respect to any breach described in Section 9.02(a), unless a Buyer Indemnified Party shall have made a claim within the time periods specified in Section 9.01. The parties acknowledge and agree that the indemnification obligations of Seller under Sections 9.02(a) and (c) constitute affirmative indemnities which shall be enforceable by Buyer without reference to the existence of any breach or representation and warranty by Seller hereunder and notwithstanding any information set forth in the disclosure schedules hereto.

Section 9.03 Tax Indemnity. Seller shall indemnify, defend and hold the Buyer Indemnified Parties harmless from and against all Damages imposed upon or incurred by any Buyer Indemnified Party which arise out of or result from any Taxes of Seller or any Taxes relating to the operation of Sellers' business or the ownership of the Purchased Assets prior to the Closing, including, without limitation, any assessed sales and use Taxes by a Taxing Authority on transactions of the Sellers' business entered into by Seller prior to the Closing. The parties acknowledge and agree that the indemnification obligations of Seller under this Section 9.03 constitute an affirmative indemnity which shall be enforceable by Buyer without reference to the existence of any breach or representation and warranty by Seller hereunder and notwithstanding any information set forth in the disclosure schedules hereto.

Section 9.04 Indemnification by Buyer. From and after the Closing, Buyer shall indemnify, defend and hold Seller and each of its Affiliates, managers, officers and employees (collectively, “Seller Indemnified Parties”) harmless from and against all Damages imposed upon or incurred by any of them and which arise out of any of the following (and any actions, suits, proceedings and judgments incident thereto):

- (a) any inaccuracy of a representation or breach of a warranty made by Buyer in this Agreement;
- (b) the failure of Buyer to duly and timely pay, discharge or perform as and when due, any of the Assumed Obligations;
- (c) the ownership and operations of Buyer and the Purchased Assets after the Closing Date; and
- (d) the breach of any covenant, undertaking or other agreement made by Buyer set forth in this Agreement;

provided, however, that Buyer shall not have any obligation hereunder with respect to any breach described in Section 9.04(a), unless a Seller Indemnified Party shall have made a claim within the time periods specified in Section 9.01. The parties acknowledge and agree that the indemnification obligations of Buyer under Sections 9.04(b), (c) and (d) constitute affirmative indemnities which shall be enforceable by Seller without reference to the existence of any breach or representation and warranty by Buyer.

Section 9.05 Indemnification Procedures. If a claim (a “Claim”) for indemnification is to be made by a party (an “Indemnified Party”) against another party (the “Indemnifying Party”), the Indemnified Party shall give written notice to the Indemnifying Party promptly after the Indemnified Party becomes aware of any fact, condition, or event which gives rise to a Claim for which indemnification may be sought under Article IX as soon as practicable after such Indemnified Party becomes aware of any such fact, condition or event. If any lawsuit, enforcement action, demand or claim is brought or made by any third party (a “Third Party Claim”) against an Indemnified Party involving a matter for which the Indemnified Party is entitled to indemnification pursuant to this Article IX, written notice of such Third Party Claim shall be given promptly to the Indemnifying Party. Notwithstanding the foregoing, however, any failure or delay by the Indemnified Party to give any notice required by this Section 9.05 shall not limit the Indemnifying Party’s obligation hereunder to indemnify the Indemnified Party, except to the extent that the Indemnifying Party suffers actual prejudice as a result of such delay or failure. After such notice is given, the Indemnifying Party shall be entitled to assume and control the defense and investigation of such Third Party Claim and may employ and engage attorneys of its own choice reasonably acceptable to the Indemnified Party to handle and defend the same, at the Indemnifying Party’s cost and expense; provided, that if there exists a material conflict of interest (other than one that is of a monetary nature) that would make it inappropriate for the same counsel to represent both the Indemnified Party and the Indemnifying Party, then the Indemnified Party shall be entitled to retain its own counsel at the expense of the Indemnifying Party; provided, further, that the Indemnifying Party shall not be obligated to pay the reasonable fees, costs and expenses of more than one separate counsel for all Indemnified Parties, taken together. The Indemnified Party shall cooperate in all reasonable respects with the

Indemnifying Party and such attorneys in the investigation, trial and defense of such Third Party Claim, including any appeal arising therefrom. The Indemnified Party may, at its own cost, participate in the investigation, trial and defense of such Third Party Claim or any appeal arising from any such Third Party Claim and, in any event, the Indemnifying Party shall keep the Indemnified Party reasonably informed with respect to the progress thereof. In the event the Indemnifying Party does not accept the defense of any matter as provided above, the Indemnified Party shall have the right to defend against any such claim or demand and shall be entitled to settle any such claim or demand.

Section 9.06 Adjustment to Purchase Price. Amounts paid by Seller with respect to indemnification pursuant to this Article IX shall be treated as an adjustment to the Purchase Price paid by Buyer for the Purchased Assets, and appropriate adjustments in accordance with the provisions of Code Section 1060 shall be made to the allocation of the Purchase Price among the Purchased Assets which was made pursuant to Section 2.06.

Section 9.07 Limitation on Indemnification.

(a) Notwithstanding anything to the contrary in this Agreement, Seller shall not be obligated to indemnify any Buyer Indemnified Party for any Damages pursuant to Section 9.02(b) (other than Damages incurred as a result of breaches of any of the representations and warranties of Seller contained in Sections 3.02 (Authorization and Enforceability) and 3.06 (Title to Purchased Assets)) until the cumulative Damages that are incurred by the Buyer Indemnified Parties that are indemnifiable pursuant to Section 9.02(b) exceed [REDACTED] (the “Deductible Amount”) in the aggregate, and then only for the amount by which such aggregate Damages exceed the Deductible Amount in the aggregate.

(b) Notwithstanding anything to the contrary in this Agreement, the maximum aggregate amount of Damages for which indemnity may be recovered from Seller by any Buyer Indemnified Party pursuant to Section 9.02(b) for any and all breaches of representations and warranties shall be an amount equal to [REDACTED]

(c) It is the intention of the parties that an Indemnified Party shall be limited to a single recovery for the amount of any Damages it may incur hereunder and that such Indemnified Party shall not be entitled to seek or obtain multiple recoveries for Damages incurred in connection with the same events, facts or circumstances resulting in such Damages notwithstanding the fact that there may be more than one basis for recovering Damages hereunder (e.g., multiple breaches of representations and warranties). In determining the amount of indemnification due under this Article IX, all indemnification payments shall be reduced by the amount of any insurance proceeds to the extent actually recovered by and payable to such Indemnified Party; provided, however, that with respect to the Buyer Indemnified Parties, only the insurance proceeds received by the Buyer Indemnified Parties under insurance policies or proceeds included in the Purchased Assets shall be taken into account. Buyer Indemnified Parties will be obligated to submit to the applicable insurance carrier all coverable claims and pursue such claims against such insurance carrier in good faith, and will not abandon or compromise any such claim without the consent of Seller, which consent will not be unreasonably withheld.

Section 9.08 Materiality Disregarded. In determining the amount of Damages under this Article IX, materiality, material adverse effect and other similar qualifiers contained in any representation, warranty, covenant or agreement shall be disregarded.

Section 9.09 Definition of Damages. The term “Damages” as used herein means any and all actual costs, losses, liabilities, damages, lawsuits, claims, demands and expenses (whether or not arising out of Third Party Claims), including reasonable attorneys’ fees and costs (collectively, “Damages”) provided, however, that Damages shall not include punitive damages (other than any such damages payable to third parties) or damages based on lost profits, or consequential, indirect or speculative damages.

Section 9.10 Exclusive Remedy. Each party hereto hereby acknowledges and agrees that, from and after the Closing, its sole remedy relating to the Purchased Assets, the Assumed Obligations or the subject matter of this Agreement (other than claims for or in the nature of Fraud and claims for equitable remedies, including, without limitation, specific performance where applicable), shall be pursuant to the indemnification provisions of this Article IX. In furtherance of the foregoing, each party hereto hereby waives, from and after the Closing, to the fullest extent permitted by law, any and all other rights, claims, and causes of action it, he or she may have against the other party or its Representatives and Affiliates relating to the Purchased Assets, the Assumed Obligations or the subject matter of this Agreement (other than claims for or in the nature of fraud and claims for equitable remedies, including, without limitation, specific performance where applicable).

ARTICLE X MISCELLANEOUS
