INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this “IP Assignment”), dated as of July 1, 2020, is entered into by and between Digital Innovation, Inc., a Maryland corporation (“DI”), eCore Software, Inc., a Texas corporation (“eCore”), Analytic Solutions Network, LLC, a Maryland limited liability company (“ASN”), Clinical Registry Solutions, LLC, a Maryland limited liability company (“CRS”), Lancet Registry Solutions, LLC, a Maryland limited liability company (“LRS”), The Trauma Vendor Alliance Benefit Company, a Maryland corporation (“TVA”) (each of the foregoing entities, a “Transferor” and collectively, the “Transferors”), and ESO Solutions, Inc., a Texas corporation (“Acquiror” and together with Transferors, the “Parties”).

WHEREAS, DI, eCore, ASN, LRS, CRS and Acquiror have entered into that certain Agreement and Plan of Merger dated of even date herewith, pursuant to which DI, eCore, ASN, LRS and CRS, among other entities, will merge with and into Acquiror (the “Mergers”), with Acquiror surviving the Mergers and continuing its existence as a Texas corporation;

WHEREAS, following the consummation of the Mergers, TVA plans to dissolve and terminate its existence (such dissolution, together with the Mergers, the “Transactions”);

WHEREAS, in connection with the Transactions, Transferors desire to distribute and assign to Acquiror, and Acquiror has agreed to acquire and assume from Transferors, the Intellectual Property Assets (as defined herein); and

WHEREAS, in connection with the Transactions, Transferors desire to execute and deliver this IP Assignment, for recording with the United States Patent and Trademark Office and the United States Copyright Office and corresponding entities or agencies in any applicable jurisdictions.

NOW, THEREFORE, in consideration of the premises, the terms and provisions contained herein, the mutual benefits to be gained by the performance thereof and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

1. **Assignment.** Each Transferor hereby irrevocably distributes, conveys, transfers and assigns to Acquiror, and Acquiror hereby accepts, all of such Transferor’s right, title and interest in and to the following (collectively, the “Intellectual Property Assets”):
 - a. all trademarks and trademark registrations and applications owned or held by Transferors, including those set forth on Schedule 1 hereto and all issuances, extensions and renewals thereof (the “Trademarks”), together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks;
 - b. all copyrights and moral rights (if any) in any works of authorship owned or held by Transferors, including those set forth on Schedule 2 hereto;
 - c. all websites and internet domain name registrations owned or held by Transferors, including those set forth on Schedule 3 hereto (this clause (c), together with clauses (a) and (b), the “Scheduled IP”);

- d. all rights of any kind whatsoever of Transferors accruing under any of the Scheduled IP provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;
- e. any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the Scheduled IP; and
- f. any and all claims and causes of action, with respect to any the Scheduled IP, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Each Transferor hereby authorizes the Commissioner for Patents and the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of the United States Copyright Office and of corresponding entities or agencies in any applicable jurisdictions to record and register this IP Assignment upon request by Acquiror or its designee or counsel. Following the date hereof, upon Acquiror's request, each Transferor shall take such steps and actions, and provide such cooperation and assistance to Acquiror and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence or perfect the assignment of the Intellectual Property Assets to Acquiror, or any assignee or successor thereto.

3. Governing Law. The validity, meaning and effect of this IP Assignment shall be determined in accordance with the laws of the State of Texas applicable to contracts to be performed therein, without regard to any conflicts of law provisions thereof that would cause the laws of any other jurisdiction to apply.

4. Successors and Assigns. The terms and conditions of this IP Assignment shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and permitted assigns.

5. Amendments. This IP Assignment may not be amended other than by a written instrument signed by each of the Parties hereto.

6. Counterparts. This IP Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which, taken together, shall constitute one instrument.

[Signature Page Follows]

IN WITNESS WHEREOF, the Parties hereto have executed this IP Assignment as of the date first above written.
