**SHORT FORM
TRADEMARK SECURITY AGREEMENT**

THIS SHORT FORM TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") dated as of April 30, 2021, is by CLEAN SCAPES ENTERPRISES INC., a Texas corporation (the "Grantor"), in favor of BMO HARRIS BANK N.A., a national banking association, for itself and its Subsidiaries and Affiliates (collectively, the "Grantee").

WITNESSETH:

WHEREAS, the Grantor has entered into that certain Credit Agreement dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time and in effect, the "Credit Agreement") with the Grantee, pursuant to which the Grantee has agreed to make certain loans and other financial accommodations to the Grantor;

WHEREAS, in connection with the Credit Agreement, the Grantor and the Grantee have entered into that certain Security Agreement dated as of April 30, 2021 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, and to induce the Grantee to enter into the Credit Agreement and to induce the Grantee to make extensions of credit to the Grantor pursuant to the Credit Agreement, the Grantor hereby agrees with the Grantee as follows:

Section 1. Defined Terms. Unless otherwise defined herein, terms used herein have the meaning given to them in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, hereby mortgages and pledges to the Grantee and grants to the Grantee a lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the "Trademark Collateral"):

2.1 all of its trademarks, including, without limitation, those referred to on Schedule 1 hereto;

2.2 all goodwill of the business connected with the use of, and symbolized by, each trademark; and

2.3 all proceeds (as that term is defined in the UCC) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any trademark or any trademarks exclusively licensed under any intellectual property License, including right to receive any damages, (ii) injury to the goodwill associated with any

trademark, or (iii) right to receive license fees, royalties, and other compensation under any intellectual property license.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement secures the payment and performance of the Obligations. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

Section 4. Interpretive Provisions. The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms. Whenever the context so requires, the neuter gender includes the masculine and feminine, the single number includes the plural, and vice versa, and in particular the word "Grantor" shall be so construed.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

[Remainder of page intentionally left blank; signature page follows]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
