TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment") is entered into as of May 1, 2021 by and between Mylan Consumer Healthcare, Inc., a Delaware corporation ("Seller"), Meda AB, a Swedish company ("Meda"), and Rottapharm Limited, an Irish company ("Rottapharm," together with Meda and Seller, each, an "Assignor"), and Nurya Brands, Inc., a Delaware corporation ("Assignee"). All capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in that certain Asset Purchase Agreement, dated as of May 1, 2021 by and between Seller and Assignee (the "Asset Purchase Agreement"). Assignee and each Assignor may be referred to herein by name or individually, as a "Party," and collectively, as the "Parties."

WHEREAS, upon the terms and subject to the conditions of the Asset Purchase Agreement, Seller (including on behalf of certain Asset Sellers) has agreed to sell, transfer, convey, and deliver to Assignee, and Assignee has agreed to purchase, acquire, and accept from Seller and other Asset Sellers, all of Seller's and the other Asset Sellers' right, title, and interest in and to the Business Assets, including Intellectual Property listed on Schedule A attached hereto ("Assigned Trademarks").

NOW THEREFORE, in consideration of the covenants, promises, and representations set forth in this Assignment and the Asset Purchase Agreement and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. For good and valuable consideration, the receipt of which is hereby acknowledged, each Assignor hereby irrevocably assigns, on behalf of itself and the Seller Group, to Assignee, the entire right, title, and interest in and to the Assigned Trademarks, including the goodwill of the business connected with the use of, and symbolized by, said Assigned Trademarks, and the right to recover for past, present, and future infringement of said Assigned Trademarks. Assignee hereby accepts said assignment. The Parties acknowledge and agree that, pursuant to and on the terms set out in the Asset Purchase Agreement, Assignee is a successor to the Business to which the Assigned Trademarks pertain, and that Business is on-going and existing.

2. Each Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America and the Canadian Intellectual Property Office to record this assignment and to issue such Assigned Trademark as shall be granted based thereon to Assignee, its successors and assigns.

3. No amendment or modification of this Assignment shall be effective unless it is set forth in writing, signed by each of the Parties, and specifically references this Assignment.

4. This Assignment shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to the conflicts of laws provisions thereof.

5. For the convenience of the Parties, this Assignment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

Executed as of the 1st day of May, 2021.
