TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (the "Assignment") is made effective as of April 21, 2021, by and among INV Performance Surfaces, LLC, a Delaware limited liability company ("INVISTA"), and Lowe's Companies, Inc., a North Carolina corporation ("LCI" or "Lowe's").

WHEREAS, effective as of April 21, 2021, INVISTA has agreed to sell, assign, transfer, convey and deliver to LCI, and LCI has agreed to purchase and acquire from INVISTA, all of INVISTA's right, title and interest in and to the trademark registrations and trademark applications listed in Exhibit A attached hereto (the "Trademarks"), together with the portion of the ongoing and existing business to which the Trademarks pertain in accordance with 15 U.S.C. §1060(a), as set forth therein.

NOW, THEREFORE, intending to be legally bound and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Effective as of April 21, 2021, INVISTA hereby sells, conveys, assigns, transfers and delivers to LCI all of INVISTA's right, title and interest in and to the Trademarks, together with all goodwill related to the Trademarks and the portion of the ongoing and existing business to which the Trademarks pertain in accordance with 15 U.S.C. §1060(a), with all rights and privileges granted and secured thereby, including all claims, demands, income, damages, and rights to causes of action and remedies, including all proceeds to infringement suits, and the right to sue and collect damages for past, present or future infringement or other violation of such Trademarks.

2. Authorization. INVISTA authorizes and requests the Commissioner of Patents and Trademarks of the United States to record LCI as owner of the Trademarks, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of LCI, its successors, assigns or other legal representatives.

3. Further Assurances. INVISTA agrees to execute and deliver, or cause to be executed and delivered, such other instruments of conveyance, assignment or transfer and any additional documentation, and will take such other actions, as LCI may reasonably request and at LCI's sole expense in order for Lowe's to perfect, vest and record the assignment of any Trademark.

4. Miscellaneous. This Assignment may only be amended by written agreement of the parties. This Assignment may be executed and delivered by facsimile or portable document format in two or more counterparts, each of which shall be an original and all of which together shall constitute one and the same instrument. This Assignment shall be binding upon the parties, their heirs, successors and assigns, and all others acting by, through, with or under their direction, and all those in privity therewith. The governing law of this Assignment shall be that of the State of Delaware, without regard to its conflicts of law principles.
