GRANT OF SECURITY INTEREST
IN TRADEMARKS

This Grant of Security Interest in Trademarks, dated as of May 14, 2021 (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, this “Agreement”), is made by the entities identified as grantors on the signature pages hereto (collectively, the “Grantors”) in favor of Wilmington Trust, National Association, as Notes Collateral Agent under the Indenture (as defined in the Security Agreement referred to below) (the “Notes Collateral Agent”).

THIS GRANT is made to secure the payment or performance, as the case may be, in full of the Secured Obligations, as such term is defined in the Security Agreement among the Grantors, the other assignors from time to time party thereto and the Notes Collateral Agent, dated as of May 14, 2021 (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the “Security Agreement”).

NOW THEREFORE, IN CONSIDERATION OF THE FOREGOING AND FOR OTHER GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, the Grantors hereby agree with the Notes Collateral Agent as follows:

SECTION 1. Defined Terms

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral

SECTION 2.1 Each Grantor hereby grants to the Notes Collateral Agent, its successors and assigns, for the benefit of the Notes Secured Parties, a security interest (the “Security Interest”) in, all right, title or interest in, to or under any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”); provided that the Trademark Collateral shall not include any Excluded Assets:

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, the goodwill of the business symbolized thereby or associated therewith, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule A attached hereto, (b) all rights and privileges arising under applicable law with respect to such Grantor’s use of any trademarks, (c) all extensions and renewals thereof and amendments thereto, (d) all income, fees, royalties, damages and payments now and hereafter due and/or payable with respect to any of the foregoing, including damages, claims and payments for past, present or future infringements or dilutions thereof, (f) all rights to sue for past, present or future infringements or dilutions thereof and (g) all rights corresponding thereto throughout the world.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof include, any applications in the United States Patent and Trademark Office to register Trademarks or service marks on the basis of any Grantor’s “intent to use” such Trademarks or service marks applications

unless and until a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted in the United States Patent and Trademark Office(solely to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such "intent to use" application under applicable federal law) whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Trademark Collateral.

SECTION 3. Security Agreement.

This Agreement has been granted in conjunction with the security interest granted to the Notes Collateral Agent under the Security Agreement. The rights and remedies of the Notes Collateral Agent with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern,

SECTION 4. Governing Law.

THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW PRINCIPLES THAT WOULD APPLY THE LAWS OF ANOTHER JURISDICTION.

SECTION 5. Counterparts.

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

SECTION 6. Concerning the Notes Collateral Agent

Wilmington Trust, National Association is entering into this Agreement solely in its capacity as the Notes Collateral Agent under the Indenture and not in its individual or corporate capacity. In acting hereunder, the Notes Collateral Agent shall be entitled to all of the rights, privileges, immunities and indemnities granted to the Notes Collateral Agent under the Indenture, as if such rights, privileges, immunities and indemnities were set forth herein.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the date first set forth above.
