Response to Notice of Non-Recordation

A nunc pro tunc assignment of this registration was filed on March 26, 2021. A Notice of Non-Recordation issued on April 14, 2021 stating that the document was non-recordable because “nunc pro tunc is not present in the supporting document.” The previously filed supporting assignment document, also attached hereto, states that the trademark and trademark registration are assigned nunc pro tunc. Accordingly, Registrant respectfully requests that the document be recorded and a Notice of Recordation issued.

Respectfully submitted,
