TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment"), is dated 4/13/2021 and delivered by Advisor360°, LLC ("Assignor"), to and in favor of Commonwealth Equity Services, LLC ("Assignee"). Both Assignor and Assignee are collectively referred to herein as the "Parties".

WHEREAS, Assignor agreed to assign to Assignee, and Assignee wishes to acquire from Assignor, all of the Assignor's rights, title and interest in and to the trademark registration identified and set forth on Schedule A attached hereto, and all goodwill associated with the foregoing (collectively, the "Assigned Trademark");

WHEREAS, the Parties' intent was to assign the rights, title and interest in and to the trademark identified and set forth on Schedule A as of 4/13/2021;

WHEREAS, Assignor wishes to confirm Assignee's ownership of the trademark and assign to Assignee all worldwide right, title and interest in and to the Assigned Trademark.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby agree as follows:

1. Assignment of Assigned Trademark. Assignor hereby irrevocably sells, transfers, conveys, assigns and delivers to Assignee any and all worldwide right, title and interest Assignor holds, or may hold, in and to the Assigned Trademark, including the goodwill of the business in connection with which said mark is used and which is symbolized by said mark, together with all rights derived therefrom and any registrations and applications therefor, including, without limitation, statutory, common law and contractual rights, in, to and under the Assigned Trademark that are or may be secured under the laws of the United States, any multi-national trademark authority or any foreign country, now or hereafter arising or in effect, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors and assigns to the end of the term or terms for which the Assigned Trademark is granted or reissued or extended as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, and in and to all rights to collect income, royalties, damages and payments in connection with any of the foregoing, including, without limitation, in and under all causes of action (either in law or in equity), and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned under this Assignment.
2. Effective Date of Assignment. The effective date of the assignment of the Trademark is as of 4/13/2021.
3. Recordation of Assignment. The Parties hereby request and authorize the relevant authority at the United States Patent and Trademark Office and/or the applicable foreign authorities to record Assignee as the assignee and owner of the Assigned Trademark.

4. Further Assistance. Assignor shall provide Assignee, its successors and assigns, and their legal representatives such information, documents and assistance as Assignee or any such other person or entity may reasonably request to effectuate and implement this Assignment.
5. Counterparts. This Assignment may be executed by the Parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, and all of which together shall constitute one and the same instrument.

[Signature Page Follows]

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be duly executed in duplicate originals by their duly authorized representative on the date first written above.
