AMENDED & RESTATED TRADEMARK SECURITY AGREEMENT

THIS AMENDED & RESTATED TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of May 19, 2021, is entered into by and among Beacon Roofing Supply, Inc., a Delaware corporation (in such capacity, the "Grantor"), having its chief executive office at 505 Huntmar Park Drive, Suite 300, Herndon, VA 20170, and CITIBANK, N.A., as administrative agent (the "Administrative Agent"), with offices at One Penn's Way, OPS II, New Castle, DE 19720, Attention: Agency Operations.

This Agreement is executed pursuant to the terms of that certain Collateral Agreement, dated as of January 2, 2018, by and among Beacon Roofing Supply, Inc., a Delaware corporation (in such capacity, the "Borrower"), certain Subsidiaries of the Borrower party thereto and the Administrative Agent (as the same now exists or may hereafter be amended, amended and restated, modified, supplemented, extended, renewed, restated or replaced, the "Collateral Agreement"). Capitalized terms used herein but not defined herein shall have the meaning assigned to them in the Collateral Agreement.

The Lenders (as defined in the Credit Agreement) have agreed to make extensions of credit to the Borrower subject to the terms and conditions set forth in the Amended and Restated Credit Agreement, dated as of May 19, 2021, by and among the Borrower, the Lenders from time to time thereunder and the Administrative Agent (as the same now exists or may hereafter be amended, amended and restated, modified, supplemented, extended, renewed, restated or replaced, the "Credit Agreement"). The obligations of the Lenders to make such extensions of credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor will derive substantial benefits from such extensions of credit pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit.

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties (as defined in the Credit Agreement), a continuing security interest in all of the Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter arising or acquired:

- (i) each Trademark, Trademark registration and Trademark application of the Grantor, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark registration and Trademark application of the Grantor, and all other assets, rights and interests that uniquely reflect or embody such goodwill, including, without limitation, each Trademark, Trademark registration and Trademark application described on Schedule A;
- (ii) each Trademark License of the Grantor, including, without limitation, each Trademark License described on Schedule B;
- (iii) all claims by the Grantor against third parties for (a) past, present or future infringement or dilution of any Trademark or Trademark registration, including, without limitation, any Trademark or Trademark registration described

on Schedule A or under any Trademark License described on Schedule B,
(b) injury to the goodwill associated with any Trademark, Trademark registration
or Trademark License or (c) any breach or enforcement of any Trademark License;
and

(iv) all products and proceeds of the foregoing.

The rights of the Administrative Agent with respect to the security interest granted herein are without prejudice to, and are in addition to, those set forth in the Collateral Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall govern.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract.

This Agreement shall be construed in accordance with and governed by the laws of the State of New York.
