To Trademark Specialist  
In response to:  
U.S. Registration No. 4747112  
Mark: GIDEALAB

The office action states that "if the present owner prefers to submit actual evidence of ownership..." and I Richard Preston as the owner am electing to do so.

The Mark GIDEALAB is owned by me via my LLC of which it is named (GIDEA LAB, LLC). The Mark has not changed ownership. I did however convert the LLC from a California Entity to a Florida Entity in 2017. And since then, the LLC had a change of address once more but still within Florida.

In summary:

Shown in Evidence #1

GIDEA LAB, LLC addressed in Santa Clara California, was converted in 2017 to GIDEA LAB, LLC addressed in North Miami Beach Florida via California Certificate of Conversion

Shown in Evidence #2

This Florida LLC was given the associated "Document Number" (unique to this LLC) of L17000100764, and bears the new North Miami Beach Florida address

Shown in Evidence #3

This same Florida LLC Document Number L17000100764 changed addresses once more to CHAMPIONS GATE Florida (which is the same zip code of 33896 as Davenport Florida so online address verification systems use them interchangeably). You can confirm this on Google Maps if necessary.

Please see the attached Evidence as described on the pages that follow. For more depth, the complete and official Florida LLC history can be reviewed here [[Link to Florida Business Registration and Reporting](#)]

Best regards and thank you for your correspondence,  
Richard Preston | Gidea Lab, LLC | Mark Owner GIDEALAB (Reg No. 4747112)
