IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re registrations of: NCI Group Inc.  
For: Release of Security Interests  
Recorded at: Reel/Frame 4808/0064

RELEASE OF SECURITY INTEREST BY DECLARATION

I, Peter Talosig, hereby declare as follows:

I am over twenty-one years of age and am competent to make this Declaration. I serve as Senior Counsel of NCI Group, Inc. ("NCI"), and my duties include managing mergers and acquisitions and the review and title records of collateralized property, including intellectual property, and the preparation of acquisition documents and ancillary agreements and refinancing of debt documents. Based on my experience in this capacity, I have personal first-hand knowledge of the facts stated within this Declaration.

NCI is now the successor to and current owner of certain trademark registrations that were previously owned by the company Metl-Span LLC, a Texas corporation, that had an address at 1497 North Kealy, Lewisville, TX 77002.

According to the records in the Assignment Division of the U.S. Patent and Trademark Office ("USPTO"), as shown in further detail below, Metl-Span LLC ("Metl-Span") granted a security interest in favor of Wells Fargo Capital Finance, LLC on June 22, 2012 and said security interest was recorded with the USPTO at Reel/Frame 4808/0064 and has not been released.

Below is a chronology of the transactions of the parties of interest :

1. **October 20, 2009** -- NCI Group, Inc. granted a security interest in favor of Wells Fargo Foothills, LLC, as parties to a Loan and Security Agreement dated October 20, 2009 (" '09 Agreement") -- Security Interest was recorded with USPTO on October 26, 2009 at Reel/Frame 4085/0446. Copy attached as EXHIBIT 1.

2. **June 22, 2012** – Metl-Span, LLC (“Metl-Span”) granted a security interest in favor of Wells Fargo Capital Finance, LLC, formerly known as Wells Fargo Foothills, LLC (“Wells Fargo”) as parties to the '09 Agreement, as amended December 3, 2010, and May 2, 2012. Security Interest is recorded at Reel/Frame 4808/0064. Copy attached as **EXHIBIT 2**.
3. **October 29, 2012** – Metl-Span merged into NCI Group, Inc. -Merger is recorded at Reel/Frame 4915/0477. Copy attached hereto as **EXHIBIT 3**.
- 4 **February 8, 2018** – Wells Fargo grants Release of Security Interests in Trademarks to NCI Group, Inc. related to the '09 Agreement and references the Security Agreement recorded at Reel/Frame 4085/0446 (No.1). Copy attached as **EXHIBIT 4**.

Based on the foregoing, the 2009 Loan and Security Agreement was paid and terminated and it was the intention of the parties to release the property to NCI Group, Inc., which, as stated above, is the successor to Metl-Span. However, it appears that the release as to Metl-Span was inadvertently overlooked and not prepared and recorded to clear the title of the security interest granted by Metl-Span.

Contact was made with Wells Fargo Finance’s counsel weeks ago and no response has been received from Wells Fargo regarding the execution of a release. Due to an impending sale of the property, NCI hereby files this release to clear the title.

As described above, NCI has diligently made a good faith effort to try to obtain a release from the lender for recordal with the USPTO. However, the lender has been unresponsive to communications.

Further, given the payoff of the underlying loan, as evidenced by the Release mentioned above, it is clear that the release as to Metl-Span is proper and should be recorded to clear the title of the collateralized property.

The undersigned, being hereby warned that willful false statements and the like so made, are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful

false statements may jeopardize the validity of the registrations that are subject to the referenced security interests, declares that he is properly authorized to execute this Declaration, and that all statements made of his own knowledge are true; and that all statements made on information and belief are believed to be true.

Signed this 26<sup>th</sup> day of May, 2021.
