## **TRADEMARK ASSIGNMENT**

THIS TRADEMARK ASSIGNMENT is made as of December 14, 2020, by and among Three Twins Organic Inc., a California corporation (“Assignor”), TWIC Liquidating Trust, as Assignee for the Benefit of Creditors of Assignor (“Seller”), and Old World Creamery, LLC, a Georgia limited liability company (“Buyer”). Assignor has transferred ownership of all its rights, title and interest in and to all of its tangible and intangible assets to Seller pursuant to a General Assignment, dated April 17, 2020, and in so doing has also designated Seller to act, pursuant to California law, as the assignee for the benefit of creditors of Assignor. Seller and Buyer are parties to a certain Asset Purchase Agreement dated as of December 14, 2020, (the “Asset Purchase Agreement”). Capitalized terms used without definitions herein shall have the meanings ascribed to such terms in the Asset Purchase Agreement.

WHEREAS, Seller, on behalf of itself and Assignor, has agreed to sell to Buyer, and Buyer has agreed to acquire from Seller, all of Seller’s and Assignor’s rights, title and interest in and to the trademarks and/or service marks identified in Schedule A attached hereto, including all goodwill associated therewith (the “Marks”); and

WHEREAS, the parties hereto accordingly wish to execute this recordable instrument, assigning all of Seller’s and Assignor’s right, title, and interest in and to the Marks to Buyer;

NOW, THEREFORE, for valuable consideration set forth in the Asset Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Seller, on behalf of itself and Assignor, hereby assigns, transfers, conveys, sets over and delivers to Buyer all of Seller’s and Assignor’s right, title, and interest in and to the Marks, including without limitation any and all registrations, applications, and/or common law rights for the Marks throughout the world, together with all of the goodwill of Assignor’s business symbolized by or associated with the Marks, and any and all income, royalties, damages, and payments now or hereafter due and/or payable with respect thereto including, without limitation, damages, and payments for past, present, or future infringements.

2. This Trademark Assignment is subject to the terms and conditions of the Asset Purchase Agreement, and this Trademark Assignment shall not be deemed to limit, enlarge, or extinguish any obligation of Seller or Buyer under the Asset Purchase Agreement, all of which obligations shall survive the delivery of this Trademark Assignment in accordance with the terms of the Asset Purchase Agreement, and that to the extent there is any conflict between this Trademark Assignment and the terms and conditions of the Asset Purchase Agreement, the Asset Purchase Agreement shall control.

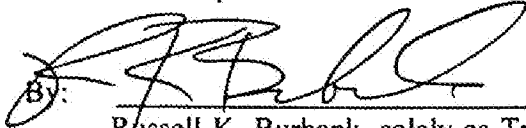

3. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

[REMAINDER OF PAGE LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Assignment to be executed on the date first written above.
