THIS TRADEMARK SECURITY AGREEMENT dated as of June 2, 2021 is made by each of the entities listed on the signature pages hereof (each, a “Grantor”, and collectively, the “Grantors”), in favor of Prospect Capital Corporation, a Maryland corporation (“Prospect”), as Collateral Agent for the benefit of the Secured Parties (in such capacity, together with its successors and permitted assigns, the “Collateral Agent”).

Introductory Statement

WHEREAS, pursuant to the Loan Agreement dated as of June 2, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified, renewed or replaced from time to time, the “Loan Agreement”) among Enseo Intermediate, Inc., a Delaware corporation (“Holdings”), Enseo Acquisition, Inc., a Delaware corporation, the other Borrowers from time to time party thereto, the other Guarantors from time to time party thereto, the Lenders from time to time party thereto, and Prospect as administrative agent for the Lenders (in such capacity, together with its successors and assigns in such capacity, the “Administrative Agent”) and the Collateral Agent (the Collateral Agent together with the Administrative Agent, each an “Agent” and collectively the “Agents”), the Lenders made the Term Loan and agreed to make the Revolving Loans from time to time to the Borrowers on and subject to the terms and conditions set forth therein; and

WHEREAS, in connection with the Loan Agreement, all of the Grantors are party to a Guaranty and Security Agreement dated as of June 2, 2021 (as amended, restated, supplemented or otherwise modified, renewed or replaced from time to time, the “Guaranty and Security Agreement”), pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, and to induce the Agents and the Lenders to enter into the Loan Agreement, to induce the Lenders to make their respective Term Loans and Revolving Loans to the Borrowers thereunder, and to induce the Agents to act in their respective agency capacities thereunder, and intending to be legally bound, each Grantor hereby agrees with the Collateral Agent, for the benefit of the Secured Parties, as follows:

Section 1. Defined Terms. All uppercase terms used but not otherwise defined herein have the meanings given to them in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby pledges, collaterally assigns and transfers to the Collateral Agent for the benefit of the Secured Parties, and grants to the Collateral Agent for the benefit of the Secured Parties, a Lien on and

security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "Trademark Collateral"):

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof. Notwithstanding the foregoing, there shall be no security interest or Lien on any Trademark application that is filed on an "intent-to-use" basis (until such time as a statement of use is filed with respect to such application and duly accepted by the United States Patent and Trademark Office).

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the Liens and security interests granted to the Collateral Agent for the benefit of the Secured Parties pursuant to the Guaranty and Security Agreement.
